Scorecard

FIDELITY TO JESUS'S TEACHINGS (RED LETTERS)

Significant divergence

Six flagged items. Islam is characterized as a 'death cult' whose adherents 'cannot allow you to live' — the structural inverse of Jesus's treatment of religious outsiders (Luke 9:55; Luke 10:33; John 4). Matt 24:36 ('no one knows the day or hour') appears in the discourse Hibbs is preaching but is never addressed.

IDENTIFIABLE BIASES / HARMFUL RHETORIC

Severe anti-Muslim and political-enemy rhetoric

An hour-plus sustained framing of Shia Islam as an eschatological death cult, specific partisan attacks on Democrats, Mamdani, Tucker Carlson, and Biden (framed as possibly Satan-indwelt or God's judgment instrument), plus an off-hand anti-LGBTQ 'should have sunk the ship' remark aimed at U.S. sailors. Four CN markers present, including strongman affinity and political-opponents-as-spiritual-enemies.

FACTUAL CLAIMS & EVIDENCE CHECK

Poor evidence hygiene; high-confidence assertions with no verifiable sourcing

Hibbs asserts a string of specific claims — largest Middle East buildup since Gulf War, China hypersonic missile the US 'has no defense against,' Iran can hit London with nuclear warhead, IRG colonel arrested at the border, sleeper-cell activation risk — none delivered with a primary source. Of the claims checkable without live reporting, most require verification; one (drag performance on a carrier flight deck) is framed in a way that distorts what actually occurred.

WHOLE-BIBLE ENGAGEMENT

Heavily selective; prophetic-geopolitical template overrides canonical counter-witness

The sermon's central exegetical move — reading Jeremiah 49 and Ezekiel 38 as an almost-literal script for 2026 headlines — draws on a single dispensationalist reading tradition and omits both the dominant biblical counter-witness on foreign religious outsiders (Jonah, Ruth, Isa 19:24–25, Luke 4:25–27, Luke 10:33, Matt 12:41) and Jesus's explicit resistance to sign-reading (Matt 16:1–4; Matt 24:36; Acts 1:7).

Summary

Hibbs delivers a "prophecy update" that ties an active U.S. naval buildup in the Persian Gulf (late February 2026) to Jeremiah 49:34–39 and Ezekiel 38, arguing that Iran ("Elam") is living through a near-literal unfolding of biblical prophecy — its "bow" about to be broken by the United States as God's agent. He identifies Shia Islam as a "death cult," claims Iranian religious leaders believe they are called to produce a "cataclysmic ball of fire" to usher in the Mahdi, and frames the Biden administration's border policy as potentially a divinely-permitted judgment on the U.S. via pre-positioned Iranian terror cells. The sermon praises Trump's State of the Union, mocks Mamdani, Tucker Carlson, and seated Democratic legislators, and ends with a jab that the USS Gerald R. Ford should have been sunk by God for hosting a "Drag Queen parade" on its flight deck. Closing prayer calls the nation to repent of arrogance and gives a brief gospel altar call.

SEVERE | AXIS 1 | ▶ 00:33:00 | HEADLINE

Claim that the Iranian regime's theology authorizes biblical-scale violence — uncorrected for the parallel claim about the sermon's own framework

Why flagged: The characterization collapses a minority Twelver-Shia apocalyptic thread into normative 'Quran eschatology.' More sharply: Hibbs's own sermon is structured around the converse move — reading a buildup of U.S./Israeli warplanes as the agent of biblical end-times judgment, and praying effectively for Jer 49 to be fulfilled now. Jesus's 'log in your own eye' critique applies directly: the rhetorical form of the accusation (God authorizes our violence against them as eschatological completion) is what the sermon itself performs.

PASTOR

They believe that they're actually called by their God to create a cataclysmic ball of fire on the earth that will bring their Messiah, the Mahdi, to rescue and establish the world as a Muslim caliphate, the entire globe. That is their that's their Quran esquetology. Guess what the Bible says? The opposite.

Matt 7:3–5

Why do you see the speck that is in your brother's eye, but do not notice the log that is in your own eye?... first take the log out of your own eye, and then you will see clearly to take the speck out of your brother's eye.

Matt 26:52

Put your sword back into its place. For all who take the sword will perish by the sword.

John 18:36

My kingdom is not of this world. If my kingdom were of this world, my servants would have been fighting.

Shia Islam characterized as a 'death cult' whose adherents 'cannot allow you to live'

Why flagged: The claim that Muslims 'both cannot allow you to live' is not an assertion about the regime in Tehran; it is a categorical claim about ~1.9 billion people worldwide. Every Gospel encounter Jesus has with a contemporary religious-outsider group (Samaritan village, Samaritan woman, Syrophoenician woman, Roman centurion) runs opposite to this framing — and the single closest parallel (disciples proposing to destroy an outgroup religious village) ends with Jesus turning and rebuking the disciples. Hibbs's OT reasoning also collides with Jesus's own summary of the law: the chapter Jesus cited for 'love your neighbor' (Lev 19) also binds the command to the foreigner.

PASTOR

The government went into the hands of a death cult of Islam and has terrorized their people since 1979... Islam is divided into two camps, Sunni and Shia... they're both they both cannot allow you to live, but one will kill you sooner. Shia is very violent... Shia will kill Sunni.

JESUS

Luke 9:52–55

And he sent messengers ahead of him, who went and entered a village of the Samaritans, to make preparations for him. But the people did not receive him... And when his disciples James and John saw it, they said, 'Lord, do you want us to tell fire to come down from heaven and consume them?' But he turned and rebuked them.

Luke 10:33–37 (the Good Samaritan — the 'good' figure is a religious outsider the audience despised)

But a Samaritan, as he journeyed, came to where he was, and when he saw him, he had compassion... 'Which of these three, do you think, proved to be a neighbor to the man who fell among the robbers?' He said, 'The one who showed him mercy.' And Jesus said to him, 'You go, and do likewise.'

Matt 5:44–45

Love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven. For he makes his sun rise on the evil and on the good.

Lev 19:18 — cited by Jesus in Matt 22:39, Mark 12:31, Luke 10:27 as the second great commandment

You shall love your neighbor as yourself.

Lev 19:33–34 — adjacent to the verse Jesus cited, binding 'love' to the foreigner

When a stranger sojourns with you in your land, you shall not do him wrong. You shall treat the stranger who sojourns with you as the native among you, and you shall love him as yourself.

Sustained anti-Muslim eschatology framed as exposition

Why flagged: Calvary Chapel Chino Hills reports weekly attendance in the thousands with wide YouTube and podcast distribution; Hibbs is a nationally-known evangelical voice with political access. A confident, repeated, hour-long framing of a specific world religion (~1.9B adherents) as a 'death cult' whose adherents categorically 'cannot allow you to live' — preached at that reach — meets the reach × specificity × harm threshold for severe regardless of whether it ticks named rubric boxes. The framing will predictably shape how listeners see Muslim neighbors, classmates, refugees, and ballot questions about Muslim communities.

Matt 5:43–45

You have heard that it was said, 'You shall love your neighbor and hate your enemy.' But I say to you, Love your enemies and pray for those who persecute you, so that you may be sons of your Father who is in heaven.

Luke 10:33–37 (Good Samaritan)

'Which of these three, do you think, proved to be a neighbor...?' He said, 'The one who showed him mercy.' And Jesus said to him, 'You go, and do likewise.'

Luke 4:25–27 (Jesus's first recorded sermon — citing 1 Kings 17 and 2 Kings 5)

There were many widows in Israel in the days of Elijah... and Elijah was sent to none of them but only to Zarephath, in the land of Sidon... and none of them was cleansed, but only Naaman the Syrian.

MODERATE AXIS 1

(absent from a sermon explicitly reading current events as end-times signs)

Matt 24:36 — the key verse in the discourse being preached — is not addressed

Why flagged: Jesus's explicit teaching on sign-reading is resistant-to-negative: no one, including Jesus in his earthly ministry, knows the timeline; an evil generation seeks signs; the day comes unexpectedly. A sermon whose central rhetorical engine is 'look how specifically current headlines fulfill prophecy' is structurally incompatible with the verses Jesus himself placed at the center of eschatological discourse.

PASTOR

[absent] — In a 72-minute sermon titled 'The Stage Is Being Set For The End Times' arguing current Middle East events fulfill Jeremiah 49 and Ezekiel 38, Matthew 24:36 is never engaged. Instead: 'The hour is late... we're on the brink of something very big. How is it going to go? Only God knows. But if I had to trust the Bible tonight instead of the news, I'm going to go with the Bible.'

JESUS

Matt 24:36 (in the Olivet Discourse)

But concerning that day and hour no one knows, not even the angels of heaven, nor the Son, but the Father only.

Matt 16:1–4

The Pharisees and Sadducees came, and to test him they asked him to show them a sign from heaven... An evil and adulterous generation seeks for a sign, but no sign will be given to it except the sign of Jonah.

Acts 1:7 (Jesus, just before the ascension)

It is not for you to know times or seasons that the Father has fixed by his own authority.

Matt 24:37–39 — Jesus's one OT analogy for his return (Gen 6–9): the point is UNEXPECTEDNESS

For as were the days of Noah, so will be the coming of the Son of Man... they were eating and drinking, marrying and giving in marriage, until

the day when Noah entered the ark, and they were unaware.

Framing of political opponents as Satan-indwelt and Biden as instrument of divine judgment

Why flagged: Assigning satanic agency to podcast hosts Hibbs disagrees with, and casting a former U.S. president as potentially God's instrument for opening borders to destructive terror cells, moves named political opponents into the category of spiritual enemies. Jesus was accused in exactly this idiom (Beelzebul controversy) and treated the move as theologically illegitimate.

PASTOR

All the rhetoric that's going on around with all these bozo podcasters that have gone insane, those people have gone nuts. I think I actually think Satan has gotten inside of their head... 'I would have sunk the ship' — divine violence invoked over a drag performance

Why flagged: The remark — even delivered as 'thank God you're not me' — publicly wishes the death of several thousand U.S. sailors from the pulpit as a reasonable response to a drag event. The closest Gospel parallel (James and John's fire-from-heaven proposal) is the move Jesus explicitly rebuked. From-the-cross Jesus prays forgiveness for his executioners; sermon Jesus is not.

Why flagged: CN marker C (political opponents as spiritual enemies). Anti-LGBTQ aside: wished destruction of USS Gerald R. Ford over a drag performance

Why flagged: Relatively brief, but the specific content — 'I would have sunk the ship' — combines anti-LGBTQ contempt with a wish for mass U.S. military fatalities as a fitting divine response. Severity held to low only because it's a single unscripted line rather than a sustained argument; the theology it displays is still notable.

Jeremiah 49 and Ezekiel 38 as real-time script for Iran in 2026

TOPIC: HOW GOD RELATES TO FOREIGN NATIONS AND RELIGIOUS OUTSIDERS

Why flagged: The dominant canonical witness on foreign religious outsiders runs the opposite direction of the framing chosen. A geographically-specified apocalyptic reading is treated as 'what the Bible says,' while the counter-voices — including Jer 49:39's own closing turn — are either minimized or omitted.

CANONICAL ANALYSIS

The Ezekiel 38 'Gog = Russia / Rosh = Russia / Meshech = Moscow / Togarmah = Turkey' geographic identification Hibbs treats as settled is a 20th-century dispensationalist reading (Hal Lindsey, 1970; earlier Scofield notes). Academic Ezekiel scholarship (Daniel Block, Walther Zimmerli, Moshe Greenberg) treats 'Rosh' as 'chief' rather than a proper noun, and Meshech/Tubal as Anatolian peoples contemporaneous with Ezekiel, not modern Russia. More significantly, even Jer 49 itself ends in restoration of Elam — a verse Hibbs reads but does not weight — and the wider canon on foreign peoples is dominated by mercy, surprise inclusion, and rebuke of Israelite tribal exclusivism (Jonah entire; Ezek 33:11 from the same prophet; Isa 19; Ruth; Amos 9:7). Jesus's own OT citations in Luke 4 (Sidonian widow, Naaman the Syrian) are the opposite-direction move from Hibbs's reading. Selecting the single most militant apocalyptic passage and treating it as the canonical voice — without engaging any of the counter-voices — is cherry-picking at significant scale.

PASTOR

God says, 'I will break the bow of Elam.' But how God does that, that's where you and I better pay attention because God doesn't reach down out of a cloud and break the bow... How does God deal with nations? With other nations... Is God going to break the bow of Elam? You're looking at the answer... If God is using this Trump administration for such a time as this to fulfill Jeremiah 49, then we're going to watch it happen.

Luke 9:52–55

Luke 10:33–37 (Good Samaritan — religious outsider modeled as exemplar)

But a Samaritan, as he journeyed, came to where he was, and when he saw him, he had compassion... 'You go, and do likewise.'

Matt 12:39–41 (Jesus holds up a foreign enemy city as morally superior to his own generation)

The men of Nineveh will rise up at the judgment with this generation and condemn it, for they repented at the preaching of Jonah, and behold, something greater than Jonah is here.

Luke 4:25–27 (citing 1 Kings 17 and 2 Kings 5 — God's favor falling on foreigners)

There were many widows in Israel in the days of Elijah... and Elijah was sent to none of them but only to Zarephath, in the land of Sidon... and none of them was cleansed, but only Naaman the Syrian.

Lev 19:18 — cited by Jesus in Matt 22:39, Mark 12:31, Luke 10:27 as the second great commandment

You shall love your neighbor as yourself.

WIDER BIBLE (OT & NT NON-GOSPEL)

Jonah 3:10–4:11 (Yahweh sends an Israelite prophet to Israel's enemy empire — and spares it)

When God saw what they did, how they turned from their evil way, God relented of the disaster... 'Should I not pity Nineveh, that great city, in which there are more than 120,000 persons who do not know their right hand from their left?'

Ezek 33:11 (the same prophet as Ezek 38)

As I live, declares the Lord God, I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.

Isa 19:24–25 (the paradigmatic enemies blessed by name)

In that day Israel will be the third with Egypt and Assyria, a blessing in the midst of the earth, whom the Lord of hosts has blessed, saying, 'Blessed be Egypt my people, and Assyria the work of my hands, and Israel my inheritance.'

Lev 19:33–34 (in the same chapter as the command Jesus summarized the law with)

You shall treat the stranger who sojourns with you as the native among you, and you shall love him as yourself, for you were strangers in the land of Egypt.

Jer 49:39 (the verse Hibbs reads — but underweights)

'But in the days to come I will restore the fortunes of Elam,' declares the Lord.

Islam as the eschatological enemy; Iran as God's target — with Israel (and the U.S.) as God's agent

TOPIC: WHETHER CHRISTIANS SHOULD IDENTIFY A LIVING WORLD RELIGION AS THE END-TIMES ADVERSARY

Why flagged: Identifying a specific world religion as the eschatological target of divine military judgment — and one's own nation's military as God's instrument — is a move with no NT precedent and multiple explicit Jesus counter-teachings. The framing also encourages listeners to read actual war as prophecy fulfillment, which lowers the cost of cheering for it.

CANONICAL ANALYSIS

The NT's actual usage of 'antichrist' (the Johannine epistles) is definitional — antichrist is whoever denies Christ — and 1 John 2:18 is explicit that 'many antichrists' were already active in the 1st century. The NT nowhere identifies any specific world religion (which, for Islam, wouldn't exist for another 500 years) as the eschatological enemy. Eph 6:12 pointedly locates the Christian's actual enemy on the spiritual plane, not in 'flesh and blood.' Hibbs's move — identifying Shia Islam as the force whose 'bow' God is about to break via the U.S. Navy and Israeli Air Force — treats current geopolitics as an eschatological judgment script with God's agent clearly named. Jesus's Gethsemane rebuke ('all who take the sword will perish by the sword') and his refusal to be made a military-political king (John 6:15; 18:36) both run against the genre. Rev 7:9's 'every nation, tribe, people, and language' includes the population Hibbs categorically writes out.

PASTOR

What is the Khamenei saying that he's going to do that if we attack Iran for their nuclear weapons program? They are going to incinerate Israel... How would they do that? They would use a bow, a launcher... God says, 'I'm going to break your bow.' ... 1948 as the start of 'the last days' — a single reading presented as the reading

TOPIC: WHETHER MODERN POLITICAL EVENTS FULFILL BIBLICAL PROPHECY

Why flagged: A contested dispensationalist identification is presented as uncontroversial biblical teaching, and the NT's own self-dating of 'the last days' (already begun at Christ's coming) is not engaged.

CANONICAL ANALYSIS

The specific identification Hibbs offers — 'May 14, 1948' = the start of the last days, based on Isa 66 — is a dispensationalist reading that competes with the mainstream NT view that the 'last days' began with the incarnation/Pentecost (Heb 1:2; Acts 2:17; 1 John 2:18). Each of those NT texts names its own moment as the 'last days' or 'last hour.' The NT's internal reading is that the church has been living in the eschaton for ~2,000 years. Hibbs presents 1948 as simple fact ('that started the last days in many ways'), but this requires rejecting or reassigning three explicit NT self-datings. The wider hermeneutical point: treating 1948 as the prophetic hinge effectively dates the 'countdown' a particular way and then reads current events through that grid.

PASTOR

Ever since May 14th, 1948, when Israel became a nation a second time based upon Isaiah chapter 66. Okay. The ancient prophet Isaiah said Israel would be born a second time in one day. America as Christian nation / God's instrument — under strain but still present

TOPIC: WHETHER GOD OPERATES THROUGH A MODERN NATION-STATE AS BIBLICAL AGENT

Why flagged: The sermon's practical framing — U.S. military as potential divine agent, Israel-blessing as national protection — sits uneasily with Jesus's explicit decoupling of God's favor from national identity (Luke 4:25–27; Matt 8:10–12) and with the NT's more general posture toward empire (Rev 17–18; Phil 3:20).

CANONICAL ANALYSIS

Hibbs does offer a genuine counter-voice in his closing prayer ('we are an arrogant nation... never trust in chariots'), which is a real canonical note. But the operational posture through most of the sermon treats the U.S. military as potentially God's arm for fulfilling Jer 49, and treats 'bless Israel' as a national insurance policy — a reading with roots in one stream of Puritan and later dispensationalist covenant-thinking, but not in Jesus's own teaching about national spiritual inheritance (Luke 4; Matt 8). Revelation's posture toward empire — including the empire within which John was writing — is prophetic denunciation, not instrumental partnership. The canonical tension is real enough that the sermon ought to engage it; Hibbs notices it (prayer of confession) without letting it modify the operational frame (Trump admin as possible Jer 49 instrument).

PASTOR

Who or what nation is Iran's number one target to remove first?... United States. America, not Israel. That's the second choice. Because they know they can't take out Israel until they take out America... I think if we obey God and bless Israel, I think that protects us. I really do. I think Israel's is an insurance policy... If God is using this Trump administration for such a time as this to fulfill Jeremiah 49, then we're going to watch it happen.

JESUS (GOSPELS)

John 18:36

My kingdom is not of this world. If my kingdom were of this world, my servants would have been fighting.

Mark 12:17

Render to Caesar the things that are Caesar's, and to God the things that are God's.

Matt 8:10–12 (Jesus on national spiritual hierarchy)

Truly, I tell you, with no one in Israel have I found such faith... many will come from east and west and recline at table with Abraham, Isaac, and Jacob in the kingdom of heaven, while the sons of the kingdom will be thrown into the outer darkness.

Luke 4:25–27

Elijah was sent to none of them but only to Zarephath... and none of them was cleansed, but only Naaman the Syrian.

WIDER BIBLE (OT & NT NON-GOSPEL)

Rev 17–18 (the NT's actual posture toward empire)

'Fallen, fallen is Babylon the great!'... 'Come out of her, my people, lest you take part in her sins.'

Amos 9:7 (prophet to Israel itself)

Are you not like the Cushites to me, O people of Israel? declares the Lord. Did I not bring up Israel from the land of Egypt, and the Philistines from Caphtor and the Syrians from Kir?

Phil 3:20

But our citizenship is in heaven, and from it we await a Savior, the Lord Jesus Christ.

Gal 3:28

There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus.

MODERATE | AXIS 4 | (throughout)

End-times sign-reading as sermon genre

TOPIC: WHETHER CHRISTIANS SHOULD READ CURRENT EVENTS AS SPECIFIC PROPHETIC SIGNS

Why flagged: The sermon's central rhetorical device — naming specific current events as specific biblical-prophecy fulfillments — sits against Jesus's explicit teaching on sign-seeking and unknowability, and against the broader NT 'thief in the night' framing.

CANONICAL ANALYSIS

Jesus is notably resistant to sign-seeking: he refuses the Pharisees outright, his single OT analogy for his return is unexpectedness (Noah), and he tells the disciples at the ascension that timing is not theirs to know. The NT's consensus metaphor is 'thief in the night.' A sermon whose explicit thesis is 'these specific news items are end-times signs, and the hour is late' operates in precisely the mode Jesus declined. Prophetic-update preaching is an identifiable genre with a real audience; the canonical question is whether the genre is itself scripturally warranted, and the red-letter evidence is that it isn't.

PASTOR

These things together have never happened before. And we're on the brink of something very big... The hour is late... These things together have never happened before. If I had to trust the Bible tonight instead of the news, I'm going to go with the Bible.

JESUS (GOSPELS)

Matt 24:36 (in the discourse Hibbs cross-references)

But concerning that day and hour no one knows, not even the angels of heaven, nor the Son, but the Father only.

Matt 16:1–4

An evil and adulterous generation seeks for a sign, but no sign will be given to it except the sign of Jonah.

Matt 24:37–39 — Jesus's Genesis 6–9 analogy: return is UNEXPECTED, not signposted

As were the days of Noah, so will be the coming of the Son of Man... they were eating and drinking, marrying and giving in marriage... and they were unaware until the flood came.

Acts 1:7

It is not for you to know times or seasons that the Father has fixed by his own authority.

WIDER BIBLE (OT & NT NON-GOSPEL)

1 Thess 5:2

For you yourselves are fully aware that the day of the Lord will come like a thief in the night.

2 Pet 3:8–10

With the Lord one day is as a thousand years, and a thousand years as one day... But the day of the Lord will come like a thief.

Deut 29:29

The secret things belong to the Lord our God, but the things that are revealed belong to us and to our children forever.

“There is currently the largest U.S. military buildup in the Middle East since the Gulf War, expanding rapidly, with R...”

PASTOR'S CLAIM (FULL)

There is currently the largest U.S. military buildup in the Middle East since the Gulf War, expanding rapidly, with Russia and China flying constant cargo flights into Iran over the past eight days.

EVIDENCE THE PASTOR CITED

None. Delivered as situational reporting with no source attribution. Later in the sermon Hibbs references 'we have some of the numbers but the numbers changed two hours ago' — implying he is tracking open-source reporting but does not name outlets.

WHAT THE EVIDENCE SHOWS

A claim of 'largest buildup since the Gulf War' is a measurable historical comparison that would require verification against Department of Defense / CENTCOM public posture statements, open-source ship-tracking (e.g., USNI News Fleet and Marine Tracker), and reporting from outlets like the Wall Street Journal, Reuters, or the Institute for the Study of War around late February 2026. The specific sub-claim of Russian/Chinese cargo flights to Iran in the preceding eight days would need to be verified against reporting such as AP, Reuters, or open-source aviation trackers (e.g., Flightradar24-sourced analyses) and not inferred from commentary. Hibbs offers no named source at the claim point. Without access to late-February 2026 primary reporting, this claim is not verifiable from training knowledge alone. Listeners should treat the specific comparison ('largest since Gulf War') as an unsourced assertion until confirmed against named reporting.

“China has brought a hypersonic missile into the region that the United States has no defense against and that can be...”

PASTOR'S CLAIM (FULL)

China has brought a hypersonic missile into the region that the United States has no defense against and that can be launched by three people and can completely destroy an aircraft carrier.

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

Chinese hypersonic weapon development is real and well-documented — notably the DF-17 (HGV) and DF-ZF hypersonic glide vehicle, as well as the anti-ship DF-21D and DF-26 ballistic missiles often described as 'carrier killers.' U.S. defense reporting (CRS, DoD China Military Power Report) has long acknowledged that these systems pose serious challenges to carrier survivability and that dedicated hypersonic-intercept capability is still maturing (e.g., Glide Phase Interceptor, in development). However, three specific parts of Hibbs's claim are either overstated or unsupported: (1) 'three guys can launch this thing' — hypersonic missile launch involves command-and-control infrastructure well beyond a three-person crew; (2) 'the United States has no defense against' — Aegis BMD, SM-3/SM-6 interceptors, and emerging GPI offer layered (if imperfect) defense; 'no defense' overstates the current posture; (3) any claim about specific Chinese hardware 'now' pre-positioned near Iran would need open-source verification (naval deployment trackers, OSINT analysts like H.I. Sutton, USNI News). The underlying concern about hypersonic threats is grounded; the specifics stated are overdrawn.

“Iran has announced that it has a nuclear warhead capable of hitting London.”

PASTOR'S CLAIM (FULL)

Iran has announced that it has a nuclear warhead capable of hitting London.

EVIDENCE THE PASTOR CITED

None. Attributed to 'this week' without citation.

WHAT THE EVIDENCE SHOWS

This is a high-stakes specific claim: that Iran has publicly announced a deliverable nuclear warhead with range to London (~4,000 km / ~2,500 mi from Iranian territory — roughly consistent with Iran's Khorramshahr-class IRBM range). As of publicly-available information through 2024, the consensus of IAEA and Western intelligence assessments has been that Iran has enriched uranium to near-weapons-grade (60%+) but has not publicly declared or tested a functioning nuclear warhead. A February 2026 announcement by Iran of an operational London-range nuclear warhead would be a historic disclosure requiring primary-source verification (IAEA statements, IRNA/PressTV direct Iranian announcements, reporting by Reuters/AP/FT). This is not verifiable from training knowledge alone and should be treated as an unverified claim pending primary reporting. If Hibbs is conflating an Iranian statement about missile range with a claim about warhead readiness, that distinction matters substantially.

"An active colonel in the Iranian Revolutionary Guard was arrested crossing into California from Mexico."

PASTOR'S CLAIM (FULL)

An active colonel in the Iranian Revolutionary Guard was arrested crossing into California from Mexico.

EVIDENCE THE PASTOR CITED

None. No name, date, case number, or reporting outlet cited.

WHAT THE EVIDENCE SHOWS

Reports of Iranian nationals encountered at the southwest border have been covered periodically (CBP encounter data does log nationality; a 2024 House Homeland Security Committee report flagged Iranian border encounters). However, the specific claim — an active IRGC colonel arrested crossing into California from Mexico — is a highly specific counterintelligence fact-pattern that, if true, would typically surface in DOJ/FBI press releases, court filings, or reporting from outlets like the Washington Post, NYT, or specialized venues (Long War Journal, Homeland Security Today). Without a named subject, date, venue, or filing, the claim cannot be verified from training data. Listeners should ask: what is the person's name, what was the charge, which U.S. Attorney's office filed, and has any indictment been unsealed? Absent those anchors, this should be treated as an unverified claim.

“The USS Gerald R. Ford 'hosted a Drag Queen parade on the flight deck' approximately two years ago.”

PASTOR'S CLAIM (FULL)

The USS Gerald R. Ford 'hosted a Drag Queen parade on the flight deck' approximately two years ago.

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

The underlying event Hibbs is almost certainly referring to is the U.S. Navy's brief 2023 use of drag performer Joshua Kelley (stage name 'Harpy Daniels'), a Navy Yeoman Second Class, as a 'Digital Ambassador' in a recruitment pilot — a program that drew political criticism and was quickly ended. There is no credible public reporting of a 'Drag Queen parade on the flight deck' of the USS Gerald R. Ford. The actual flight-deck usage of the Ford in the relevant period includes standard carrier operations and, notably, a widely-publicized crew performance of Taylor Swift's 'Shake It Off' during 2023 deployment. Hibbs's framing compresses an off-ship social-media program with a specific high-profile warship into a vivid image ('parade on the flight deck') that doesn't match documented events. The claim overstates what actually occurred.

PASTOR'S CLAIM (FULL)

Iranian Shia religious leaders believe they are 'called by their God to create a cataclysmic ball of fire on the earth that will bring their Messiah, the Mahdi, to rescue and establish the world as a Muslim caliphate.'

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

There is a real, documented current of Twelver Shia apocalyptic thought in Iran sometimes called 'hojjatieh' or associated with some Mahdist-leaning clerics — this has been discussed by scholars including Mehdi Khalaji (Washington Institute) and has received attention in Western coverage of figures like former president Mahmoud Ahmadinejad. However, several Hibbs specifics overstate the scholarly picture: (1) Twelver Shia eschatology generally frames the Mahdi's return as God-initiated, not human-engineered by creating a fireball; the 'hasten the Mahdi by causing chaos' reading is a *minority* position even within Iran's clerical establishment, explicitly rejected by others (including Ayatollah Khamenei at various points, per Khalaji's analysis). (2) 'Muslim caliphate' is Sunni eschatological vocabulary — the Shia category is the Mahdi's reign, not a restored caliphate. (3) Presenting this as 'their Quran eschatology' treats a minority Iranian clerical reading as normative Islamic theology for ~1.9B Muslims. The underlying concern (apocalyptic hojjatieh currents in Iranian politics) is real and has serious observers; the framing Hibbs uses flattens it into a characterization of Islam writ large.

SOURCES CONSULTED

- Mehdi Khalaji — Apocalyptic Politics: On the Rationality of Iranian Policy (Washington Institute for Near East Policy, Policy Focus 79)
- Council on Foreign Relations — The Role of Shiism in Iranian Politics

Tenets affirmed

- Closing prayer explicitly confesses national arrogance: 'We confess we are an arrogant nation and we are proud and... we are so often godless.'
- Affirms the penal-substitutionary gospel and calls for personal repentance: 'Jesus Christ died on the cross for the sins of each and every one of us... salvation only belongs to those who will come to you, repenting of their sin.'
- Cites Psalm 20:7 in substance against military triumphalism: 'You told us to never trust in chariots and never trust in horses.'
- Distinguishes Iranian people from Iranian regime: 'rioting is still taking place on the streets by the people uh who want these religious leaders to be removed... They're waving Iranian flags and Israeli flags in Iran.'
- Affirms an eventual divine redemption of Elam/Iran from Jer 49:39 ('I will bring back the captives of Elam') — refuses to read Iran as a permanently cursed people.

Counter-signals

- Explicit national self-critique in closing prayer (arrogant, proud, godless, narcissistic)
- Acknowledges Sunni Muslims as people who 'just want to be left alone... just want to live life'
- Notes Iranian protesters waving Israeli flags — humanizes the Iranian populace
- Warns against trusting military might: invokes Ps 20:7 framing against U.S. power
- Includes a future-redemption passage for Iran (Jer 49:39) rather than treating Iran as purely a villain
- Does not endorse a named political candidate by name for a vote (distinct from direct candidate endorsement), though partisan steering is clear

Christian Nationalism marker rubric (Whitehead/Perry, Du Mez, Alberta)

MARKER	STATUS	NOTES
A. Conflation of national & Christian identity	**Present (mixed)**	See Finding 4.5 — Trump administration framed as possible divine instrument for Jer 49; 'I think Israel's is an insurance policy' for the U.S.; counter-signal is the closing prayer of national confession.
B. Militaristic / warrior framing	**Moderate**	Pastor walks through U.S. military assets — F-22s, F-35s, Growlers, Gerald Ford carrier, AWACS — in tactical detail from the pulpit; frames the imminent strike on Iran as potential divine fulfillment. Not imagery only — real-world military action is being narrated approvingly.

MARKER	STATUS	NOTES
C. Political opponents as spiritual enemies	Present	See Finding 2.2 — 'Satan has gotten inside of their head' re: podcasters who disagree on Israel; Biden framed as possibly God's judgment instrument via border policy.
D. Dominionist rhetoric	None detected	
E. Civil religion (flag, pledge)	Low	Standing ovations in Congress framed approvingly; 'God bless America' register used; no flag imagery or pledge in the sermon itself.
F. Jeremiad / 'Christianity under attack'	Present	See Finding 2.3 — open-borders-as-judgment framing; terror-cell activation risk positioned as consequence of national sin.
G. Ethno-cultural 'real American' undertones	None–Low	Counter-signal present: Hibbs distinguishes Iranian regime from Iranian people and affirms protesters.
H. Strongman / authoritarian affinity	Present	Trump portrayed approvingly throughout — 'Trump looked over to them and said you are sick'; Trump's rhetorical tactics toward Iran's supreme leader applauded ('Trump's playing with his head'); 'If God is using this Trump administration for such a time as this to fulfill Jeremiah 49, then we're going to watch it happen.'

Other Axis-2 sub-rubrics

- **Anti-Muslim framing:** Severe — See Finding 2.1 — sustained hour-plus framing of Shia Islam as a 'death cult' that 'cannot allow you to live'; Islam characterized as God's eschatological adversary.
- **Anti-LGBTQ framing:** Low-present — See Finding 2.4 — 'I would have sunk the ship right then and there' re: drag performance-associated aircraft carrier.
- **Misogynistic framing:** Not present in this sermon
- **Anti-Jewish framing:** Not present — Sermon is strongly pro-Israel in a Christian-Zionist register; no supersessionism detected; Jewish identity affirmed in closing prayer and in Jer 49 exposition.

[00:00:00] Okay, you guys. So, we're going to dive into this tonight and we're going to be looking at a lot of information. Uh, and so, yes, the the theme is applied. That's what

we're looking at. That's what we're doing on these Wednesday nights. Tonight, we have to interrupt though and make it uh both an applied service and a update service because of what's going on uh in the world around us. So, I'm going to ask you uh tonight if you would uh certainly take notes,

[00:00:30] but you would scan the QR code. It's going to be there's going to be tons of information on the QR code. More than what we'll get to, I trust, in the notes tonight. So, you're going to want to get that. A lot of it is headline news. Excuse me. But, um it's just it's vital. Absolutely vital. I've got so much information that I'm going to ask you to forgive me in advance as I stumble through some things uh in a clumsy way to get that piece of headline or that

[00:01:00] data uh in regards to what we're looking at. But getting it started uh it is important that we remember this the very theme verse. Don't ever forget this. Memorize this verse. Write it down. Keep it always for a lot of reasons. John 14:29 is what we will start every Wednesday night out saying and that is and now this is Jesus speaking and now I have told you before before think of that it comes that when it does come to

[00:01:30] pass you may believe I love this I've said it before I'm going to keep saying it Bible prophecy as Jesus says right here is an evangelistic tool we have often shied away from Bible Bible prophecy or we've been taught to stay away from it. And I I think that's the devil's mischief telling us this. If we get into Bible prophecy, Jesus says, number one, I told you in advance. So,

[00:02:00] watch out for it. Oh, and by the way, when it happens, you're going to be reminded. You're going to believe. You're going to understand that I am the one. I'm he. I am the one true God who has revealed to you the future in advance. And I am the only God who can do that. >> And we we need to remember that because this separates Bible prophecy separates Christianity, Judeo-Christian, Old Testament, New Testament apart from all cults, all other religions. None of them

[00:02:30] have this and you've got it in your hand right now before you. And it's pretty awesome. So, tonight we're going to be looking at this message update prophecy. Uh, look, and it is this Elam. Write this down or take a shot of it if you didn't get the notes. Elam, the setting of the stage. Elam. You say, "What is Elum?" Well, Elilum is in the Bible, and you're going to know a lot about Elam tonight. But um we're going to be going into an area of Bible uh tour, so to

[00:03:00] speak, that frankly uh you may have never been to before. It's just not a it's not a regular stop along the way. But please in your note takingaking, write that down. Ilam, that is a place. You're going to know about it in a moment. And we're putting it this

way. The setting of the stage. Where are we tonight on what is tonight on this date of today, February 25th, while we have the largest military buildup uh since

[00:03:30] the Gulf War and it's and it's expanded rapidly by the hour in the Middle East. And what is going to happen? Everybody's asking the questions. And there's a reason why they're asking the questions. There's reasons why we must study the Bible on this one as we do all but this is really remarkable what's taking place or it could be uh but this is important everybody you know how long

[00:04:00] how many weeks have we been together and the US has been in the Persian Gulf area has it been close to a month and you do know now right that in the last eight days Russia and China have not only brought their navies in and submarines in, but they have been shipping constant cargo flights from Russia and China into Iran.

[00:04:30] And uh that delivery as best as we can uh uh is something that concerns us very much. In other words, with all the pause that's been taking place with this buildup and I know on the political side, right, I guess we are supposed to be going through negotiations in Geneva with other nations in Iran and it go it it goes good one moment, bad the other, all this kind of talk. Um, but interestingly enough, I think we said this last week, I'm not sure, but it was

[00:05:00] very recent. Russia and China has have very much ordered Iran, don't do anything. Just wait it out. Now, you got to be thinking for a moment, why would they say that? Why would they say that? Why would Russia and China, who's arming Iran right now, why would they say, "Don't do a thing. Wait it out." Well, I guess that would mean if you wait it out, it's going to be good for us and good for you because

[00:05:30] we'll stockpile you more and um there'll be more American warships and aircraft in the in the potential theater of war where we can bring all these guys in. They got to go through the straight of Gibralar and they got to go through the straight of Hermos Hermuz. and uh let's get them all into the pinch point and we'll destroy the entire US Navy. I mean, what's going on? What are they

[00:06:00] thinking? Why wait with all that's there? We don't know, but we know what the Bible has to say. And so, we're going to get ready to do that. Write these things down if you would. Remember this. Revelation 1 19. Whenever you study Bible prophecy, it's not it's not a mystery. The Bible says in the book of Revelation very clearly, "Write the things which you have seen." This is Jesus speaking, by the way, to John. Write the things which you have seen and

[00:06:30] the things which are and the things which will take place after this. Do you remember that? Do you guys remember what we connected this to? Three buckets. Can we see pictures of those buckets again? There's things when you read the Bible, we're

going to do it tonight. We're going to practice what we preach tonight with what we're about to read. Does what we're reading in the Bible have to deal only with the past? In other words, it's over. That's done or that's fulfilled. For example, I'll give you one that's in the past and it's done. It's fulfilled. It's a Bible prophecy. It's over. It

[00:07:00] will never happen again. Uh but you remember it every Palm Sunday. Zechariah 9:9 tells us that the Messiah would come into Jerusalem riding on the back of a little donkey that's never been ridden before. And that's how Israel was to know that their Messiah has arrived. Zechariah 9:9 written many hundreds of years before Jesus was born. It was fulfilled on Palm Sunday. And that is a prophecy that we put in the past bucket.

[00:07:30] It's done. You got me everybody? Next bucket, the things that are. Jesus says, "Write down the things that are." What is going on in your lifetime? Now remember this is this instruction is given by Jesus to the seven letters to the seven churches. That's important. So that means it spans the entire age of certainly the church age for the last 2,000 years. So he would say tonight, hey church, what do you see happening right now in your life? This is

[00:08:00] critically important everybody to where we're going. What if Jesus tonight said, "What are you guys seeing on the news tonight? what are you guys seeing on on on the uh head the headlines and and what's what's trending? Jesus would ask that tonight and you'd be expected to answer back. And so imagine here we are and what are we talking about? A massive looming war in the Middle East that many of us have not seen in a very very long time. Some of you not even in your

[00:08:30] lifetime. That's what's happening now. Jesus eyes are on the Middle East. And by the way, the the the key play roller uh uh the key role play being lived out is this nation called Iran and their agenda is all about destroying Israel. Imagine if you walked down the streets right now. Are you able to speak

> [00:09:00] to the uh coimemen and ask him what are you all about? It's simple. Why don't you why don't you listen to us? We broadcast it every Friday night in our sermons. We will not stop until Israel's destroyed and America's destroyed. That's why in Tahan you walk up and down the street SAYING DEATH TO AMERICA, DEATH TO ISRAEL. RIGHT, >> you guys? Are you tracking with me? You're living this right now. >> That's what we're seeing. And the target → Framing of political opponents as Satan-indwelt and Biden as instrument of divine judgment; Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:09:30] is Israel and America. Now, the only reason why America is the first target is because America supports Israel and protects Israel. The enemy knows that. But, by the way, all the rhetoric that's going on around with all these bozo podcasters that have gone insane, those people have gone nuts. I think I actually think Satan has gotten inside of their head. Why? Because they have turned against Israel just like the → Framing of political opponents as Satan-indwelt and Biden as instrument of divine judgment; Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:10:00] Iranians have or the Iranian leadership, not the people. I saw, oh my goodness, I saw a video the other day of, you know, the rioting is still taking place on the streets by the people uh who want these religious leaders to be removed. How brave do you have to be to do this in Thran? They're waving Iranian flags and Israeli flags >> in Iran. Iranians. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:10:30] But the topic tonight, the topic is death to America. Death to Israel. Listen, if anybody says to you, death to America and or death to Israel, yeah, that's a bad spirit, folks. >> Amen. And uh just because they're famous podcasters or uh TV hosts doesn't make one bit of difference. In fact, it makes them more dangerous. So do keep that in mind. And um also this really quick. 2 → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:11:00] Timothy chapter 3:1 16. All scripture is given by inspiration of God. This this gets fun. Watch this. All scriptures given by inspiration of God. Second Peter 1 21. for prophecy, that is the revelation of scripture, never came by the will of man. But holy men of God spoke as they were moved by the Holy Spirit. So the entire Bible, this is great. You ought to write this down if you don't have the notes. The entire Bible is remarkable because it's a self → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:11:30] authenticating message system. Again, remember if somebody says, "Well, I don't read the Bible because the Bible just speaks about itself." The Bible speaks about itself. It speaks about science. It speaks about humanity. It speaks about sin. It speaks about righteousness. It speaks about everything. And it presents it in such a way that it begs you to come and attack it to see if it's worthy of your faith. >> The Bible's not afraid of anyone testing → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:12:00] it. In fact, the Bible goes like this. Come on, take me on. Because if you do, you'll probably fall down like many other atheists before you. and become a believer. >> It's awesome. Absolutely awesome. And so when we examine the scriptures, it qualifies itself. And when matched against history, guess what? History confirms the Bible's origin. When we see what the Bible has to say and then → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:12:30] history is fulfilled, then we know that God has written it in advance. And how so? Isaiah chapter 45 verse 21 declare what is to be presented. God says let them take counsel together. I love when he's >> kind of going off like that. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:13:00] That's how God flexes, by the way. Verse 22. Turn to me and be saved. Note this. All you ends of the earth, for I am God and there is no other. I want to dial down on that for a moment for where we're going tonight. All you ends of the earth. Jewish friends, listen. Guess what? That's that's you and everybody else. That's Jew and Gentile. Hey, listen. That's Jew and Iranian, Persian. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:13:30] It's important to what we're talking about tonight. Isaiah 42:9. Behold, the former things have come to pass, and new things I declare. Before they spring forth, I tell you of them. Wow. That's your Bible. So, number one, as we look at this right now together, here we go. Mark it down. Elam, what is this? Elam is in the news today, but never like this. It's going to make sense to you in → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:14:00] a moment. Number one, Elon pre-existed before the king of Cyrus or King Cyrus, I should say. King Cyrus, very famous, very powerful king of the Persians. Remember this, before there was ever the Persians, there was Ilam. So, what is Ilam? When when we make mention in our applied series tonight, Elilam, the setting of the stage, we're going somewhere with this. Mark it down in your notes. Ilam. Persia is today called modernday Iran. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:14:30] It's all the same. It's all the same. Now, we do not get the name Iran in the Bible, but we do have the name Persia and Ilam. The the name Iran is a more of a modern construct. It doesn't matter. It's the same place as you'll see uh soon. But the question is, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:15:00] are we now watching possibly the beginning of a war that could bring down the Iranian religious tyrannical rule that started on I think February 11th, 1979. Was anybody alive in 1979? [00:17:30] seated. I'll read it to you. Listen up, everybody. We're talking. We're stepping back in time about 2,700 years from tonight, maybe 2,800 years. Verse 34. Jeremiah 49:34. The word of the Lord that came to Jeremiah the prophet against Ilam. Ilam Iran Persia. This is its origin. Ilam is a man found in the book of → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:18:00] Genesis. He is uh he's well recorded there. Just he has descendants. Okay. So that man is long gone dead now by the time Jeremiah comes along. So what's going on here? So this is the word of the Lord that's uh to Jeremiah the prophet against Ilam. So Jeremiah speak this against Ilam. Pay close attention everybody. In the beginning of the reign of → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:18:30] Zedekiah king of Judah saying thus says the Lord of hosts the the Lord of heaven's armies. Wow. Behold, I will break the bow of Elam, the foremost of their might against Elam. [00:19:30] >> I will set my throne in Ilam and will destroy from there what the king and the princes, says the Lord. But it shall come to pass in the latter days, I will bring back the captives of Ilam, says the Lord. This is absolutely amazing. Number one, many of you who know your Bible, you're saying, "Well, that sounds a lot like God's promises to Israel." Yes, it does. But it's not → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:20:00] Israel he's talking about. This is remarkable because you and I have always been brought up thinking, and rightfully so, Elilam's bad. Elam's bad. There's a lot of bad stuff the Bible says about Elam in the Bible. Elam, did you know that Elam and his descendants, they were one of the they were one of the five armies that went out against uh Abraham and fought him and Abraham defeated the five kings. Remember that? Um Elilam, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:20:30] not good. Okay. And and yet God's got a plan. So here's what we're going to be thinking about tonight. That prophecy that you just read, are you sitting down? Listen. That prophecy we just read, there is no historian and no biblical scholar that will tell you that the prophecy of Alam was fulfilled and it's done and completed. Nobody. So remember the bucket you saw → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:21:00] about the past? It doesn't go there, >> but it does go in the bucket of the present. Because you and I as we sit here on the map there is a nation called Iran which the Bible calls it Ilam or Persia. >> Are you with me? >> Yes. >> All right. Yeah. I would get goosebumps right about now because it's like Bible the Bible's amazing. >> And according to what you just read, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:21:30] there is a future bucket >> that applies, right? >> So, we're going to look at this. We're going to dissect this together in setting it up in tonight's news and what we read a moment ago. Jump on over to Ezekiel 38. Now, just for the record, everybody, I am not, I repeat, I am not confident enough to say that Jeremiah 49 and Ezekiel 38 are the exact same scenario. They could be, maybe they're → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:22:00] not. But let's read this. This is Ezekiel, a contemporary. Now the word of the Lord came to me, saying, "Son of man, set your face against Gog." That's a title of a person of the land of Magog, the prince of Rash, Mach, and Tubal. We know that those are all regions north of Israel. And prophesy → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:22:30] against him. him being Goga. G O G. Thus says the Lord God, behold, I am against you, oh Gaga, the prince of Rashack and Tubal. I will turn you around, put hooks into your jaws, and lead you out with all your army, horses and horsemen, all splendidly clothed, a great company with bucklers and shields, all of them handling swords. Persia. Persia is who? → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:23:00] >> Iran or the orlam. Ethiopia and Libya are with them. All of them with shields and helmet. By the way, those are all Muslim nations. Uh helmet Goomemer and all its troops and the house of Togamar, that's Turkey. Tur uh Turkey or Tea to today. We say Turkey, they say Turkey. From the far north and all its troops, many people are with you. Verse 7, prepare yourself. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:23:30] That is Gog. He God is saying, "Hey, Gogg, you better prepare yourself and be ready, you and all your companies that are gathered about you, and be a guard for them." Can you mark the word guard in your Bible? Uh, this is important. Uh the reason being is that the word guard in Hebrew is mishmar and it means this. It means to bring about confinement, custody of to keep a watch over. It can → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:24:00] be by the way positive or negative. To be a supplier, provider also means to be a prison. I love this next part. A place of confinement, jail or grave. Gog, you're going to assemble an army that's going to come against Israel if you keep reading that chapter in the last days. And you're going to be a guard to those nations. Uh you're going to be a supplier to those nations. You're going to give those nations. You're going to provide for those nations that are listed. We read them a → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:24:30] moment ago. Oh, and by the way, you're also going to be their grave. You will also be the grave for them. You're going to be pulling them down. It's a dead end for them. How how does that play into this current scenario? We don't know. We don't know what's going to how this is going to go. But Russia is in the area. China's in the area. That's interesting because we don't see anything about China in the Bible. But listen everybody, we don't see anything about America in the Bible either. Okay, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:25:00] people want to think so, but it's not for sure. But that said, this is pretty remarkable. So, I want you to dive into this. Look at verse 34. Jeremiah 49:34. The word of the Lord came to Jeremiah the prophet against Ilam, Persia or Iran, in the beginning of the reign of Zedekiah, king of Judah. This is to set the prophecy in its place. Notetakers marked this down. There is what's called in Bible prophecy study the near fulfillment and the far → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:25:30] fulfillment. So God is setting the stage. Zedekiah is the king. So you ask the question, did is did Judah ever have a king named Zedekiah? The answer is absolutely yes. And even secular history proves this. Zedekiah is being called by God at this time to follow God and to obey God. Zedekiah later on in his life winds up becoming uh disobedient to God. And the prophet Jeremiah will say to him, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:26:00] Zedekiah, you're going to be taken captive and you're going to be taken to Babylon and you'll never see Babylon. Did you hear what I just said? >> You're going to be taken captive. You're going to be captured by Babylon and you're going to be taken to Babylon and you're never going to see Babylon. >> And people used to say that's a contradiction in the Bible. until you read the Bible more carefully to discover that Zedekiah was captured by → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:26:30] the Babylonians and they brought the lineage of his uh kingdom in front of him. His his sons were paraded in front of him. They tied Zedekiah to a pole and they tied his head forehead back to that pole and they brought his two sons in front of him and they disembowled his sons in front of him killing them and then they gouged out his eyes. And then they hooked they put fish hook like latches in his lip and they they → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:27:00] pulled him to Babylon. He went to Babylon, but he never saw Babylon. Next time you think the Bible's something funny, be careful. It's more specific than you you can ever imagine. >> Amen. >> So that's the stage. And look at verse 35. Thus says the Lord of hosts, "Behold, I I the Lord will break the bow of Ilam, Iran, Persia, the foremost of their might." → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:27:30] The the the biggest mistakes I've made in reading Bible prophecy is that I don't I don't take it specific enough. Watch this. Don't be vague about Bible pro. There's nothing vague about Bible prophecy. Thus says the Lord of hosts, that is the Lord of heaven's armies. Behold, I who I. Nobody else. But watch this. God will break the bow of Ilam. But how God does → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:28:00] that, that's where you and I better pay attention because God doesn't reach down out of a cloud and break the bow in. How does God deal with nations? >> Thank you. With other nations. That's why God said Nebuchadnezzar is my servant to punish Israel. Yeah. God said Cyrus, he's my servant because Israel, Judah's rebelled against me. And when I get out of the way, bad stuff comes and they're going to take you away captive and they'll be my servant. Wow. >> So listen, is God going to break the bow of Elam? >> I'm asking you this question. >> You're looking at the answer. [00:29:00] what? We can we study prophecy. We cannot find where God breaks the bow of Ilam in the context of chapter 49. [00:46:00] all see when that happened? She was sitting there, beautiful girl, and that guy came up behind her and just started stabbing her in the throat. It was all caught on the camera. We all watched it on YouTube. And the mother was there last night >> and President Trump was looking at her and he was applauding and everyone in that glorious chamber stood up. >> All the Democrats stayed seated >> and Trump looked over to them and said, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:46:30] "You you are sick. >> Seriously, go watch it." And then the US uh hockey team ca came in. Everybody stood up >> except those guys over there. >> Um I mean on and on it went. It was really unbelievable. I mean un I mean seriously insane. We're a messed up country. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:47:00] Okay. So, we're not perfect, but Iran believes they have the moral high ground over us. Mor morally. They maybe they do. I don't know. I've never been there. I don't plan on going there. But I know this. I know that they have the wrong message. I know that they have the wrong God. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:47:30] And so we should care because it's whatever is going to happen, it's going to happen. And this could be something that happens very soon. So you guys, in this last several days, Russia and China have brought in incredible armaments, especially China. I don't like the way this makes me feel, but we have our great military or a great navy in both of these limited → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:48:00] bodies of water with two straits on either side, the Gibralar and Hermuz. And now we now we find out that China has brought in something that the United States has no defense against. And it is a hypersonic uh missile that can be launched uh from uh with just a three guys can launch this thing and it is so fast that we → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:48:30] can't stop it and it destro it can completely destroy an aircraft carrier. That makes me nervous if God's not with us. This makes me really nervous. If, in other words, I'm praying that Jeremiah 49 is about to happen. If it's not Jeremiah 49, we might be in a hot mess because China and Iran, China and Russia → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:49:00] have joined the staging of the battle as we sit here. You're talking about the United States versus Iran, Russia, and China. Listen, that's four of the top largest militaries in the world. Three against one. Unless God is using, and we better be humble. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:49:30] We better be careful. If is God using this situation to fulfill Jeremiah 49? You may very well know this in the next few days or weeks. Many of you are asking, are we going to go to Israel? We were we're in contact with Israel constantly. Everything is on. Israel says, "Oh, don't worry about it. We we we know more we know more about stuff before it happens. Don't worry about it. But uh if it's not safe, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:50:00] we we are shutting down. And so if they shut down, we don't go. But many of us are going in, uh what three or four weeks, something like this, Lord willing. Right? That said, um I want to run through this very fast just to give you an idea. Um I'm going to run through these countries if you guys would put this up. Let's start with Lebanon. Everybody, Islam is divided into two camps, Sunni and Shia. Okay. So, let's start with this. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:50:30] No. Yes. No, not it. Uh, the list of nations way at the back, you guys. Back of the notes. And then then then we can come back to this. Lebanon 27 to 30% Sunni. Shia. Shia is the one you want to watch out for. Shia, they're they're both they both cannot allow you to live, but one will kill you sooner. Shia is very violent. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:51:00] In fact, Shia will kill Sunni. >> Remember that. So, just look at this and see how a little just it just takes a little bit of uh of the other side. Look at uh my goodness, look at Jordan. 92 to 95% Sunni. A lot of Sunnis just want to be left alone. uh they just want to live life. They probably want to become Christians. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:51:30] Shia, they're they they're they're running around with a knife in their mouth looking for it's just crazy. And they'll kill again. Shia will kill Sunni. Uh Saudi Arabia, Shia 10 to 15%. Turkey 1 to 2%. Syria 1 to 2%. You know how many problems there are in Syria regarding Islam? It's the one to 2% that's causing it. Next slide. Egypt just barely more → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:52:00] than 1%. Qatar 10 to 15%. That's not good. United Arab Emirates 10 to 15%. Also, Yemen 35 to 45%. Doesn't that explain a lot of the news? Yemen. The violence there and all of that is absolutely incredible. Let's run through some headlines and have you go home with your head on fire. Okay. So, Trump demands → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:52:30] that Iran promise never to build a nuclear weapon in State of the Union address. Okay, everybody listen up. Trust me. Trump told them, "I want you to promise never to build a nuclear weapon." He said it. Do you think Trump thinks that they'll say, "No, we promise." He has to say this. He has to say this. Next slide. We're going to just go through this. Iran → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:53:00] slams Trump's State of the Union lies, the Ayatollah says, but heads back to the negotiation table with US. Why? Because Russia and China told them, "Stall, drag it out." The Iranians have been told, "Talk this thing. Talk it. Talk talk. Don't Don't just run the Americans time clock out. What if there what if this No, I can't. But it can't it it can't go that long. Imagine if they've drug drugg this out long enough to where there was either an → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:53:30] assassination on a US president or Congress members or some some sort of thing that disrupted the equilibrium of our power base. What's going on? Why would That's question I don't I can't answer. Why is Russia and China saying just play the game, don't do anything. Next slide. Um Iran ready for any step to achieve US deal. Oil slides ahead of Trump. Um that is before the State of the Union. Uh we can just we can go keep going slidewise. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:54:00] US raised the stakes. Okay, this is amazing. Yeah, I mean we already know this the massive buildup of F-22s um that are now based in Israel but not only in Israel. Uh it's it's never before seen. Uh by the way that uh we have we have some of the numbers but the numbers changed two hours ago uh where eight new F-22s came into the area which brings the number to a really high number. It's incredible. Uh next slide. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:54:30] Gerald Ford expected to dock in Hifa. It is now in Hifa. Uh it's getting uh refueled and taking on its squadron. uh the squadron was advanced. It was flown over there. There was a there was a from Europe and from central US to um some of the Middle Eastern countries there was a you know we have the uh → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:55:00] flying you know we have gas stations all along the way you know that KC 46s and KC135s uh and so now in Hifa the Ford will receive um something like 78 aircraft. It's massive. Uh, next, this this probably bores 99% of the people in here tonight. US buildup of warships and fighter jets uh tracked near Iran. Um, that picture, by the way, is taken in Mission Base, San Diego. But, um, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:55:30] anyway, next next slide. This is interesting. Uh, this this is big stuff, people. Uh, you can look at it for yourself. Um, this is so old already. This is not this is a week like less than a week ago. And so for example, it says 11 times F-22A Raptor six on the way. We are way beyond that. 30 uh F-35s. We're way beyond that now. Six Growlers. Six Growlers. Uh I → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:56:00] think you only need six Growlers to make things really bad for everybody else. Uh they don't shoot anything. They just really mess with your head. Uh the Growler is an electronic uh it's it's an electronic platform flying. It's an aircraft that causes people to see things that are not there. If you're flying if if you're a Russian fighter jet and you're flying along, you swear that there's nobody in front of you and there could be five → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:56:30] F22s. You'll never see them. Um by the way, that's Israeli technology. Anyway, I'm not going to bore you with all that stuff, but you see the bottom right hand uh corner uh print sultan. Do you see those Awax? It's called Awax. Those things um it's just the only the only way that you could stop all this from doing its job is if you set up an EMP bomb. That is detonate detonate from → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:57:00] space a nuclear weapon. That's what an EMP bomb is. Instead of it getting real close to the Earth, which does like the Hiroshima Nagasaki thing, it's detonated in high altitude and it causes all electronics to fail. The United States is extremely vulnerable to EMP. Um, if that were to happen, that is the unthinkable. Next slide. Um, we already know this. It's okay. He's the Israeli → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:57:30] military says it's okay. public fine. Uh, Israelis bracing for impact. Home front command readies for Iranian fallout. Okay, let's keep going. Israeli officials of US Iran. Uh, yes. Okay. Yeah, we've all known this. This is part of the psychological difficulty. We've been told that the battle is imminent. We've we've been hearing that for three weeks. So, you're like a sprinter at the → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:58:00] Olympics and the guy never shoots the gun. I mean, how long can you stay there? That's not That's not a good thing. Keep going. Again, remember when you see Iran, think of Ilam. Netanyahu speaks of new excess of encircled Sunni Shia threats. Yeah, true. Um, okay. This is scary. When Israel says we will use unimaginable force if Ilam attacks → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:58:30] Netanyahu warns at Knesset. Israel doesn't normally talk like that. Everybody else, including us, we shoot our mouths off. We're going to blow you up like you've never been blown up before. When Israel says we're going to we're going to show you a thing or two, you don't want Israel to ever tell you that because guess what? They don't threaten. >> They never threaten. >> So I don't know what they have. But that → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:59:00] is quite a statement. Next. Um so if war uh with Ilam comes, internal conflicts will be put into deep freeze. That just means that the Israeli government, which is greatly divided like ours, have have agreed to unify um for the preservation of Israel. Next, um, this is great. Mod Modi, how do you say → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[00:59:30] M Modi? >> So, prime minister of India, you you never know where he's going to go from any given day, but this is a good statement. Um, next, um, yeah, see, this is the concern. Elam's rising confidence backed by China and Russia triggers Pentagon warnings over risk of a broader war. see that next. Um, yes. So, uh, all Americans are out → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:00:00] now of Lebanon because, uh, Hezbollah, they anticipate Hezbollah acting up. Okay, let's I think we have to go. We have to go. Um, Turkey, that's Turkey. Turkey. Uh, house of Togamar in the book of Ezekiel. Sunni ring. Any uh, so remember Sunni Shia. So keep going. Uh NATO surveillance Iran, Turkey and Kura. That's okay. That's um → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:00:30] okay. Yes. Keep going. We have to We have too much. Um Oh yes. So, this has been a big uh con confirmation this week is the chemical biological warheads uh that Iran Elam supposedly is having or producing. Next, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:01:00] yeah, this is this is some psychological warfare at at the very least. Trump is considering assassinating the son of Iran's supreme leader. That may never happen. But if you're the supreme leader and you hear a guy who's very unpredictable, Trump say that in that world, do you understand everybody? In that world, you have to have a son to carry on this thing that God has told → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:01:30] you to do. I think Trump's playing with his head. Um, we are so out of time. I I um I let's end with this which is a which is actually a good thing to end with because it's it's necessary → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:02:00] last Sunday in one of the messages I don't know which one I I could find out but in one of the messages last Sunday I I made mention about the fact that um it's been rumored about that if if we go after Iran to and you know you guys all know the reason why right in fact this week remarkably Europe has all of a sudden fallen in love with us → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:02:30] because this week Iran has made it known that they have now a nuclear warhead that can hit London. And so as soon as that was said, everybody ran on over and started waving American flags. They also said, "You can park your B-52s here and your B2 bombers." And we did. We did. They're there. Now that said, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:03:00] um I made mention of the of what's been rumored about that it may be one of the or it may be the trigger point that if the US and Iran get into it that it will set off cells that are here in the United States. >> Um I know if you if you follow Monkey Works by any chance the former Do you? Yeah, I do too. The CIA uh he's retired → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:03:30] now, but um he's the guy that got in big trouble because he knows too much. He's the guy that he was the guy who found Nordstream. You know, the Nordstream explosion. >> He found it and published it and he wound up was he wound up uh being questioned. How'd you know about this? Um he's he said which I'm it's great but did not unnecessary but he said hey Jack Hib said this about Iran and that's a → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:04:00] very serious uh concern because that could be very very real and then yesterday or to this morning or yesterday the New York Times uh confirmed all that and uh we're quite shocked and so I don't know if we had that slide or not but um that the this this tangle entanglement if it doesn't go well that it it could bode very very bad for → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:04:30] the homeland here where we're at because of the cells that have come in with the open border policies that are that are h housed and set up in in a lot of them in California, Texas, everywhere. So, I want to I I just want to I know this is just not this is not church like normal, right? I get that. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:05:00] Why Why did we Now, I'm not saying to be don't shout and yell and holler. What concerns me about all of this and where we as believers need to intercede for our nation, and let's be honest, if you and I die, we go home to glory. But there's a lot of people in our nation that if a whole lot of people die, a lot of them wind up in hell. And we should be very, very, very sad about that. → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:05:30] >> And so if God is using this Trump administration for such a time as this to fulfill Jeremiah 49, then we're going to watch it happen. I don't know what kind of fallout we'll see, if any. I don't know if that's not what's going on. If if this is the demise of the United States of America, because we will not be able to get out of the Mediterranean or → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:06:00] if it sets a fire off in every town or city in the United States by these terrorist cells, let me ask you, why would you, as a government, leave your borders unchecked and wide open for four years? Why? Why would you intentionally do that when you even know that an a Iranian IRG colonel, → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:06:30] current active colonel in the Iranian Republican Guard was arrested crossing into California from Mexico, was spotted and somehow not recognized and arrested and found out to be an active colonel in the Iranian army and you still leave your borders open. >> I'm just don't don't answer. I'm just → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment

[01:07:00] asking why why did we do this? This part makes me shudder people and this is why I want you to make sure your walk is right with Jesus. What if God had Biden in office so that the borders would be left open to set this nation up to be dealt with because of all of our sins and all of our what if you see → Political opponents cast as Satan-indwelt, Biden as possible instrument of judgment; Christianity-under-attack / Biden-opened-borders-for-judgment jeremiad

[01:07:30] Jeff? Well, you've taken us from one pendulum to the other. I know. I know it. You should be glad that I'm not up here telling you how it's going to happen because nobody knows how it's going to happen, but we have never been in a situation like this. [01:08:00] Messiah can return, that is Islamic theology. and you say, "I don't believe it." You don't have to believe it. They do. >> Please pray that we as a country and as Christians in America would repent. >> Ask God for mercy. What am I talking about? Let's do it. >> Let's stand up.

[01:08:30] >> I know it's an unusual night, but today's an unusual day. Heavenly Father, we come before you and Lord, if we only had the heart and the and the vocabulary of a Daniel, we would be able to accurately and passionately confess the sins of our nation like he did.

[01:09:00] Lord, we ask you that have mercy on the United States of America. Lord, we confess we are an arrogant nation and we are proud and and we are we are so often godless because we so often uh do not seek you. We become so well uh complacent because of our wealth and affluence that the blessings we've turned into curses.

[01:09:30] We've become so narcissistic that all we can think about is ourself and our time and and and what's in it for me instead of our neighbor. We ask you to forgive us,

Lord. Please have mercy. And Lord, I'm terrified tonight because our government leaders are boasting in the most powerful military on the face of the earth. And you told us to never do that. You told us to never trust in chariots

[01:10:00] and never trust in horses. Lord, only you know how it's going to go. But this we know. It is your will that all hear the gospel that Jesus Christ died on the cross for the sins of each and every one of us and all of mankind.

[01:10:30] He paid the debt for our sins personally. But salvation only belongs to those who will come to you, repenting of their sin, changing their heart and mind toward you and accepting you as crucified Savior and resurrected Lord and to determine tonight to walk with you. Salvation is of the Lord.

[01:11:00] Father, we pray that you'd give our leaders wisdom, that they'd be led by your Holy Spirit. Lord, if you can speak through Balam's donkey, you can speak and lead anyone anywhere. Lord, I one of those aircraft carriers, one of the most lethal things on the planet. And yet I remember, Lord, little

> [01:11:30] over two years ago, that very aircraft carrier hosted a Drag Queen parade on the flight deck. And if I were you, I would have sunk the ship right then and there. But thank God, you're not me. >> It's that kind of stuff we need to repent of that makes you sick and angry. So Lord, I don't know how this is going to go. Methodology

Axis 1 — Fidelity to Jesus's Teachings: findings flag contradictions with, tensions against, or notable absences from Jesus's direct words in the four Gospels. Reference translation: ESV.

Axis 2 — Identifiable Biases / Harmful Rhetoric: co-equal sub-rubrics for Christian nationalism (Whitehead & Perry's *Taking America Back for God*; Du Mez, *Jesus and John Wayne*; Alberta, *The Kingdom, the Power, and the Glory*), anti-Muslim framing, anti-LGBTQ framing, misogynistic framing, and anti-Jewish framing. Findings weighted by *reach × specificity × real-world harm potential*.

Axis 3 — Factual Claims & Evidence Check: empirical claims extracted from the sermon are compared against independent scholarly, journalistic, and primary sources. Each claim receives a

verdict (Supported · Partially supported · Contested · Misleading · Unsupported · False) and records whether the pastor cited evidence when making the claim (a rhetorical concern distinct from the empirical verdict). No verdict is rendered without a cited source.

Axis 4 — Whole-Bible Engagement: for each major framing in the sermon, the pastor's claim is placed side-by-side with Jesus's Gospel witness and with the wider biblical canon (OT and non-Gospel NT). This surfaces cherry-picking (citing a favorable verse while ignoring hostile ones on the same topic) and unacknowledged canonical tension (presenting one biblical voice as the biblical position when the scripture itself contains disagreement). Gospel citations are in ESV; OT and non-Gospel NT citations are in ESV.
