Scorecard

FIDELITY TO JESUS'S TEACHINGS (RED LETTERS)

Mixed / contradicted on core moves

Five flagged items. Decoding political figures as demonic avatars and identifying a sitting U.S. politician (a Hindu-heritage woman of color) as 'the goddess' inverts Jesus's posture with religious outsiders (Luke 9:55; John 4; Matt 8:10). Matthew 25, Matt 5:44, and John 18:36 are absent from a sermon explicitly about how Christians should read political leaders.

IDENTIFIABLE BIASES / HARMFUL RHETORIC

Severe — anti-Hindu eschatology + strongman religious legitimation + political-opponents-as-demons

Names a living U.S. politician of Hindu heritage as a 'goddess avatar' whose election would have placed America 'under the goddess.' Frames Hindu religion (1.2B people) as 30 million demons. Sacralizes a specific U.S. president as God's-anointed Jehu via a decoded blood-anointing ceremony at Butler, PA. Stacks anti-LGBTQ ('gods of confusion of gender') and abortion-as-child-sacrifice rhetoric on top.

FACTUAL CLAIMS & EVIDENCE CHECK

Selective, decoded, unsourced

Multiple specific claims (Kamala's name etymology, Jehu's 28-year stage, Trump's 2000 California Reform primary, Olympics 'Last Supper,' Nietzsche → Hitler lineage, 70,000 Indian conversions) are delivered as proof of a prophetic template. Several mix a kernel of fact with substantial overstatement; none cite a source.

WHOLE-BIBLE ENGAGEMENT

Severely cherry-picked

The whole sermon is built on minority OT narratives (Jehu, Ahab/Jezebel, Elijah's contest with Baal) read through 21st-century U.S. partisan politics, while the wider canonical witness on enemies, foreign religions, political power, and decoding leaders (Jonah, Ruth, Isa 19, Acts 1:7, Matt 25, John 18:36) is unengaged.

Summary

A 37-minute broadcast in which Pastor Mike Signorelli interviews Jonathan Cahn about Cahn's book 'The Avatar.' The two argue that contemporary U.S. political figures are 'avatars' channeling ancient pagan gods/demonic spirits: Trump = the OT king Jehu (a 28-year template, including his 2024 election outcome and the Butler, PA assassination attempt as a priestly anointing ceremony); Hillary Clinton = Jezebel; Kamala Harris = the Hindu goddess Kamala-Devi ('one nation under the goddess'); Joe Biden = the sleeping god Vishnu. The pre-2024-election alternative is framed as literal Hindu-demonic capture of the United States. Hindu religion is treated as a system of 30 million genuine demons; an India crusade story is recounted in which sounding a shofar produces mass exorcism. Abortion is identified with Baal child-sacrifice; the LGBTQ/gender 'agenda' with returning ancient gods of sexual immorality. The piece closes by positioning listeners as the Daniels/Elijahs/Pauls of a 'critical window' for American revival.

HEADLINE

Identifying a living U.S. politician's name as 'the goddess' / demonic avatar

Why flagged: A sitting U.S. politician — a Hindu-heritage woman of color — is named, her name etymologically decoded, and her existence framed as a near-miss demonic capture of the United States. Every recorded Jesus interaction with a contemporary religious outsider (Samaritan woman, Syro-Phoenician woman, Roman centurion, Samaritan leper, Naaman cited from 2 Kings 5) goes the opposite direction: surprise commendation, healing, conversation, mercy. The disciples' single attempt at the move Cahn and Signorelli are making — naming a religious outgroup as the target of divine judgment — is rebuked by Jesus by name.

PASTOR

From the house of Brahman was born the person we know of as Kamala Harris... Her middle name is Debbie which means the goddess. So her name Kamala Debbie means Kamala the goddess... If she had won, we've been under led by ruled by one whose name means the goddess. One nation under the goddess. That's how close we were.

JESUS

Luke 9:52–55 (when the disciples proposed targeting a religious-outsider group for divine judgment)

And he sent messengers ahead of him, who went and entered a village of the Samaritans, to make preparations for him. But the people did not receive him... And when his disciples James and John saw it, they said, 'Lord, do you want us to tell fire to come down from heaven and consume them?' But he turned and rebuked them.

John 4:7–10 (Jesus engaging a religious-outsider woman whose tradition his audience disdained)

A woman from Samaria came to draw water. Jesus said to her, 'Give me a drink.'... (For Jews have no dealings with Samaritans.)

Matt 5:44

Love your enemies and pray for those who persecute you.

Matt 7:1–2

Judge not, that you be not judged.
For with the judgment you pronounce
you will be judged.

**Lev 19:18 — cited by Jesus in Matt
22:39, Mark 12:31, Luke 10:27 as the
second great commandment**

You shall love your neighbor as
yourself.

Sacralizing a U.S. president as God's-anointed Jehu via decoded blood-ceremony

Why flagged: The OT priestly consecration ceremony of Lev 8:23–24 is mapped onto a U.S. presidential candidate's near-assassination, with the blood, ear, hand, thumb, and shoes presented as a sacralizing match. This makes a specific living political figure into a divinely consecrated officeholder. Jesus's red letters are uniformly hostile to this exact move: he refused to be made king (John 6:15), denied his kingdom was of this world (John 18:36), distinguished the imperial from the divine domain (Mark 12:17), and warned specifically that false signs-and-wonders interpretations of political figures would lead even the elect astray.

PASTOR

According to the ceremony, the man the one who's going to be used of God, blood is involved. Blood has to touch the ear... It has to touch the right ear. Has to touch the tip of the right ear... Then it has to touch the hand. First thing Trump does is he lifts up his hand. The blood touches hand. It's got to be the right hand... Then the focus goes down to the feet. Well, the feet in order for it to happen, the shoes of the candidate have to be removed. Well, what happens when Trump is pushed down? His shoes are removed.

Mark 12:17

Render to Caesar the things that are Caesar's, and to God the things that are God's.

Matt 24:23–26

Then if anyone says to you, 'Look, here is the Christ!' or 'There he is!' do not believe it. For false christs and false prophets will arise and perform great signs and wonders, so as to lead astray, if possible, even the elect.

Acts 1:7 (Jesus's last recorded words before the ascension on decoding

political timing)

It is not for you to know times or seasons that the Father has fixed by his own authority.

Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion

Why flagged: A specific 1.2-billion-person world religion (Hinduism), and a specific living American politician of Hindu heritage (Kamala Harris), are identified as demonic vehicles whose ascent would have placed America 'under the goddess.' The reach (V1 Church digital channel, Cahn's NYT-bestseller platform), specificity (named individual, decoded etymology, family lineage, image), and harm potential (rhetoric directly targets a U.S. religious-minority community with ~3.5M American Hindus, plus people of South Asian descent more broadly) meet the severe threshold.

PASTOR

The word avatar comes from India where all the gods are. And it particularly the belief is there's one house uh a line or lineage that particularly gives birth to avatars. It's the house of Brahman... from the house of Brahman was born the person we know of as Kamala Harris... Her name Kamala Debbie means Kamala the goddess... An image that appeared in America... a picture of they put a picture of her merged with a Hindu goddess on the web. I mean crazy.

Strongman / authoritarian religious legitimization

Why flagged: A specific sitting U.S. president is identified as the providentially anointed instrument of God's window of mercy on America, with his birth date, his name, his political timeline, his shooting, and his nomination ceremony all decoded as divine confirmation. This is the textbook profile of strongman-affinity religious rhetoric (Whitehead & Perry; Du Mez; Alberta) and is delivered to a high-reach digital audience in the immediate aftermath of an election.

PASTOR

Trump is standing in front of the world and he's given the nomination to become president of the United States exactly seven days from the blood touching the air. Seven Hebrew days... God will give a window. So he's given a window right now.

Hindu religion framed as 30 million demons

Why flagged: Hinduism — a 4,000-year-old tradition of ~1.2 billion people — is rendered as a literal demonic infestation, with a thousands-strong Indian crowd characterized as a mass exorcism scene. Jesus's pattern with foreign-religion practitioners is the opposite: Sidonians, Syrians, Romans, Samaritans, and Ninevites are repeatedly held up as recipients of divine favor or as moral superiors to his own religious in-group, and the OT texts he chooses to cite at his own opening sermon (Luke 4) deliberately make this point. The sermon's own admission that the Indian audience 'didn't know' what was supposedly happening underlines the framing: the experience is being interpreted **for** them, not by them.

PASTOR

In India, you have tons of gods. You have actually 30 million gods that they worship. So, you know, there's going to be spiritual things going on... imagine you're at an exorcism uh except multiply it by thousands of people getting delivered... and we're in the land of the of the gods and you have the spirits.

JESUS

Luke 4:25–27 — Jesus's first recorded sermon, citing 1 Kings 17 (Sidonian widow) and 2 Kings 5 (Naaman the Syrian) — both worshippers of foreign gods who become recipients of divine favor

There were many widows in Israel in the days of Elijah... and Elijah was sent to none of them but only to Zarephath, in the land of Sidon, to a woman who was a widow. And there were many lepers in Israel in the time of the prophet Elisha, and none of them was cleansed, but only Naaman the Syrian.

Matt 8:10–11 (after the Roman centurion — a foreign-religion practitioner — shows greater faith than Israel)

Truly, I tell you, with no one in Israel have I found such faith. I tell you, many will come from east and west and recline at table with Abraham, Isaac, and Jacob in the kingdom of heaven.

John 4:21–24 (to the Samaritan woman, on whose mountain people worshipped the wrong god)

The hour is coming when neither on this mountain nor in Jerusalem will you worship the Father... the true worshipers will worship the Father in spirit and truth.

Matt 12:41 — Jesus citing Jonah, holding up the foreign enemy city of Nineveh as morally superior

The men of Nineveh will rise up at the judgment with this generation and condemn it, for they repented at the preaching of Jonah.

(absent from a sermon on God's political action and the moral content of national life)

Matthew 25 absent from a sermon on what God is doing through political leaders

Why flagged: When Jesus describes the criterion by which nations are judged at his return, he names six concrete acts toward 'the least of these': feeding the hungry, giving water, welcoming the stranger (xenos — the foreigner), clothing, visiting the sick, visiting the imprisoned. A sermon explicitly evaluating which political leader represents the 'biblical' versus 'anti-biblical agenda' for America without engaging this passage has substituted a different judgment criterion (template-fit, anti-abortion, anti-LGBTQ, alignment-with-Israel) for the one Jesus stated.

PASTOR

[absent] — In a 37-minute sermon on what God is doing through political leaders, what makes a nation 'under God,' and the moral state of America, Matthew 25:31–46 — Jesus's own most extended description of the standard by which nations are judged — is never referenced.

JESUS

[Matt 25:31–46](#)

Before him will be gathered all the nations, and he will separate people one from another as a shepherd separates the sheep from the goats... 'For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me.'... 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'

[Matt 5:43–45](#)

You have heard that it was said, 'You shall love your neighbor and hate your enemy.' But I say to you, Love your enemies and pray for those who persecute you.

[Luke 6:35](#)

But love your enemies, and do good,
and lend, expecting nothing in return,
and your reward will be great, and
you will be sons of the Most High, for
he is kind to the ungrateful and the
evil.

Decoding political timelines as God-given signs after Jesus's explicit prohibition

Why flagged: Jesus is on record refusing to deliver decoded political timelines and telling his closest followers it is not their business to know them. The sermon's central rhetorical engine is precisely the move he refused: assigning specific year-counts to specific living politicians on the authority of an OT king-template. That this is presented as biblical confidence — 'the exact same thing, the exact same thing' — places the framing in direct tension with Jesus's stated posture toward sign-decoding.

PASTOR

In 2024, the template of Joo resurrects... first he contends against the king Biden. He wins or that and then a woman rises up with an anti-biblical agenda which is Kla Harris and that's why he won. He wins in 2016 not in 2020 in 2024 because that is the template of Joo... You got a 28 year span. You open the Bible, it says Joo was on the national stage for 28 years. The exact same thing.

Political opponents as literal demonic vessels

Why flagged: Naming named living American political figures (Clinton, Obama) as conduits of 'ancient demons' is a categorical move — not pastoral disagreement with policy but ontological claim about the persons. The specific irony is sharp: Jesus encountered exactly this rhetorical move (his opponents calling him demon-possessed) and rebuked it as logically incoherent and spiritually serious. The sermon performs the move it should, on Jesus's own argument, recognize as suspect.

PASTOR

From everyone from Bill Clinton to Barack Obama to Donald Trump, every single one those same ancient demons are operating in new days through new leaders.

John 13:34–35

A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another. By this all people will know that you are my disciples.

Anti-LGBTQ framing as 'returning ancient gods'

Why flagged: Gender-nonconforming people are identified not as people but as the surface manifestation of returning ancient gods — i.e., as a demonic infestation of the culture. This is a categorical dehumanization move regardless of one's underlying ethical position on the questions. Jesus's own posture toward people his religious culture identified as sexually-categorized outsiders (the woman caught in adultery, the Samaritan woman with five husbands, the 'sinful woman' at Simon's house) was personal, conversational, and dignifying — the opposite of categorical demonization.

PASTOR

You have the gods of child sacrifice.
So we now we have abortion. You
have the gods of sexual immorality.
You have the sexual revolution. You
have the gods of of of confusion of
gender. They're ancient and it's

Whole-Bible Engagement (3)

For each major framing in the sermon, the pastor's claim is placed side-by-side with **what Jesus said in the Gospels** and **what the wider Bible says** (OT + NT non-Gospel). Surfaces cherry-picking, omitted counter-voices, and places where the canon itself contains tension the pastor did not acknowledge.

How God's people relate to foreign religions and their adherents

TOPIC: ENGAGEMENT WITH NON-CHRISTIAN RELIGIONS AND THEIR PRACTITIONERS

Why flagged: The dominant canonical witness on God's posture toward foreign-religion practitioners runs against the sermon's framing. Jesus's deliberate choice of OT texts at the opening of his ministry (Luke 4) is the inverse of the move the sermon makes. Acts 17 — the NT's actual model for engaging a polytheistic culture — is not engaged.

CANONICAL ANALYSIS

There are two canonical strands on foreign religion. One is the Deuteronomic/Elijah-on-Carmel strand: smash the idols, the gods are nothing or demons (Deut 32:17, Ps 96:5 LXX). The other is the Jonah/Ruth/Isa 19/Acts 17 strand: God's mercy moves toward foreign-religion practitioners; their cities and peoples are invited into the divine concern. Jesus stands decisively on the second strand — his very first recorded sermon (Luke 4) deliberately picks two stories (Sidonian widow, Naaman the Syrian) of God's favor falling on foreign-god worshippers. The sermon under review draws exclusively on the first strand, applies it directly to a contemporary 1.2-billion-person living religion (Hinduism), and treats the encounter Paul models in Acts 17 (engaging foreign religion conversationally and citing its poets) as if it were not in the canon. The Cuban temple-smashing anecdote and the India shofar-exorcism are framed as Elijah-on-Carmel paradigm; Jesus's choice to lead with Elijah-as-blessing-foreigners is unengaged.

PASTOR

In India, you have tons of gods. You have actually 30 million gods that they worship... we're in the land of the of the gods and you have the spirits... You have the gods of child sacrifice. Men of Athens, I perceive that in every way you are very religious. For as I passed along and observed the objects of your worship, I found also an altar with this inscription, 'To the unknown god.' Ruth 1:16 (Moabite — outside-religion — joining the people of God)

Where you go I will go, and where you lodge I will lodge. Your people shall be my people, and your God my God.

Reading current political leaders as decoded biblical types

TOPIC: WHETHER CHRISTIANS SHOULD IDENTIFY MODERN POLITICAL FIGURES AS FULFILLING OT KING-TEMPLATES

Why flagged: Decoding named contemporary political figures as precise OT-king types is the kind of move Jesus refused, the prophetic books warn against (Jer 23, Deut 18), and apocalyptic literature does not actually do (its referents are the writer's own contemporaries, not figures 2,500 years in the writer's future). The hermeneutical engine of the entire sermon has no canonical license.

CANONICAL ANALYSIS

The Bible contains several different stances on decoding political leaders. (1) Jesus's stance: not your business, withdraw from sign-decoding, beware false 'here he is!' identifications (Acts 1:7, Matt 24:23–24, John 6:15). (2) The classical prophetic stance (Jeremiah, Amos, Isaiah): name and confront the actual king in front of you, in his lifetime, by name, with concrete moral content — **not** identify him as a re-incarnation of an earlier king. (3) Apocalyptic stance (Daniel, Revelation): use coded animal/numerical imagery to refer to the empire of the writer's own day, not centuries ahead. (4) Wisdom stance (Eccl): patterns recur generally; specifying exact correspondences is exactly what Eccl is **not** doing. The sermon's framing — that modern leaders are precise channels of named ancient kings, with year-counts, date-counts, and event-counts validating the identification — has no canonical home. Deut 18:22 and Jer 23 both supply the test: a prophetic decoding that requires constant goal-shifting (the 28-year span includes a hypothetical 2028 inauguration; if Trump leaves office earlier or later the count fails) is the kind of decoding the canon explicitly warns against.

PASTOR

The template of Joo is that he first contends against the present king. Then the king is replaced by a woman who has an anti-biblical agenda... 2024, the template of Joo resurrects. And so first he contends against the king Biden. He wins or that and then a woman rises up with an anti-biblical agenda which is Kila Harris and that's why he won.

Matt 24:23–24

Then if anyone says to you, 'Look, here is the Christ!' or 'There he is!' do not believe it. For false christs and false prophets will arise and perform great signs and wonders, so as to lead astray, if possible, even the elect.

Perceiving then that they were about to come and take him by force to make him king, Jesus withdrew again to the mountain by himself.

Mark 12:17

Render to Caesar the things that are Caesar's, and to God the things that are God's.

WIDER BIBLE (OT & NT NON-GOSPEL)

Deut 18:21–22 (the canonical test for prophetic decoding)

And if you say in your heart, 'How may we know the word that the Lord has not spoken?' — when a prophet speaks in the name of the Lord, if the word does not come to pass or come true, that is a word that the Lord has not spoken; the prophet has spoken it presumptuously. You need not be afraid of him.

Jer 23:25–28 (against prophets who decode their own dreams as God's word)

I have heard what the prophets have said who prophesy lies in my name, saying, 'I have dreamed, I have dreamed!'... Let the prophet who has a dream tell the dream, but let him who has my word speak my word faithfully. What has straw in common with wheat?

Eccl 1:9 (often invoked for type-and-antitype reading; cuts both ways)

What has been is what will be, and what has been done is what will be done, and there is nothing new under the sun.

Rev 1:3 (the only NT genre formally inviting decoded reading — its scope is the death-and-resurrection of Jesus and the Roman empire of the late first century)

Blessed is the one who reads aloud the words of this prophecy, and blessed are those who hear, and who keep what is written in it, for the time is near.

Civic-religious framing — 'one nation under God'

TOPIC: WHETHER GOD HAS A COVENANTED MODERN NATION

Why flagged: The framing assumes American national-religious chosenness as a given. The wider canon, including Jesus's own choice of OT texts in Luke 4 and Peter's relocation of 'holy nation' onto the diaspora church (1 Pet 2:9–11), pushes against modern-state chosenness.

CANONICAL ANALYSIS

Modern-nation chosenness language has narrow canonical support. The OT Israel-chosenness texts are qualified within the OT itself (Amos 9:7 — God brought up Philistines and Syrians too). The NT relocates 'holy nation' status entirely to the church-as-diaspora (1 Pet 2:9–11), which is the inverse of a sovereign nation-state's self-understanding: sojourners and exiles, not landed citizens. Jesus's first recorded sermon goes out of its way to make exactly the anti-nationalist point. The 'one nation under God' phrase being defended is a 1954 U.S. legal addition to the Pledge of Allegiance — not a biblical phrase — and applying it to America as the canonical default skips over the explicit NT relocation of 'holy nation' onto the trans-national church.

PASTOR

America was made dedicated to be a nation under God under his leading for his glory. Well, if she had won we've been under led by ruled by one whose name means the goddess. One nation under the goddess.

WIDER BIBLE (OT & NT NON-GOSPEL)

PASTOR'S CLAIM (FULL)

Kamala Harris's name 'Kamala Devi' literally means 'Kamala the goddess,' and she was named after a Hindu goddess; her birth date falls on a Hindu holiday dedicated to that goddess (Sharad Purnima).

EVIDENCE THE PASTOR CITED

None. Asserted as straightforward etymology and calendar fact.

WHAT THE EVIDENCE SHOWS

Some elements are accurate, others overstated. Etymology: 'Kamala' (कमला) is a Sanskrit word meaning 'lotus' and is one of the many epithets of the goddess Lakshmi; 'Devi' (देवी) does mean 'goddess' and is a near-universal honorific suffix for women in Hindu/Sanskrit naming traditions (it functions roughly like 'Mrs.' or 'lady,' not as a personal claim of divinity). So 'Kamala Devi' translates literally as something close to 'Lotus-lady' or 'Lakshmi-honored'; the rendering 'Kamala the goddess' is technically defensible word-for-word but misses the cultural function of 'Devi' as an honorific. The claim that her mother specifically named her after the goddess Lakshmi is consistent with Harris's own published account (her memoir 'The Truths We Hold' mentions her mother named her after the lotus and the goddess Lakshmi). Sharad Purnima is a Hindu festival associated with Lakshmi worship — Kamala Harris was born October 20, 1964; Sharad Purnima in 1964 fell on October 20–21. This particular calendar coincidence is real. However, the framing 'her whole life is following the mystery of this goddess without knowing it' makes a metaphysical claim well beyond what calendrical and naming facts support, and the further claim about a 'laughing goddess' specifically tied to Kamala/Lakshmi mythology requires verification — the dominant Lakshmi iconography is not 'laughing at the wrong time.' The core charge ('one nation under the goddess') turns a routine Hindu honorific name into a metaphysical-political allegation.

“Donald Trump ran for president in 2000 on the Reform Party ticket and won the California primary before stopping; Jehu...”

PASTOR'S CLAIM (FULL)

Donald Trump ran for president in 2000 on the Reform Party ticket and won the California primary before stopping; Jehu was on the national stage of Israel for exactly 28 years.

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

Two distinct sub-claims. (1) Trump 2000 / Reform Party: Trump did formally explore a Reform Party run in 1999–2000, withdrew on Feb 14, 2000 citing party infighting (Buchanan, Fulani factions). He did appear on the California Reform primary ballot in March 2000 — having already withdrawn — and won that primary, but the win was largely ceremonial since he had ended his campaign weeks earlier. The pastor's framing ('actually won the California primary before he stopped') reverses the timing: Trump withdrew first, then the primary happened, then he won the now-meaningless contest. (2) Jehu's 28-year reign: 2 Kings 10:36 reads 'And the time that Jehu reigned over Israel in Samaria was twenty-eight years.' This is straightforwardly accurate as a reign-length. However, the sermon equates 'reign' with 'national political stage' — a category not present in 2 Kings — and pairs it with a 2000–2028 span for Trump that includes a hypothetical second-term completion. If Trump leaves office before January 2028 the count fails; if he leaves after, the count is off in the other direction. The 'exact same thing' framing depends on selecting endpoints that are not actually fixed.

PASTOR'S CLAIM (FULL)

The 2024 Paris Olympics opening ceremony staged a parody of the Last Supper in which 'men dressed as women gyrating around' replaced the disciples and a man dressed as the pagan god Dionysus replaced Jesus.

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

The factual core: the 2024 Paris Olympics opening ceremony (July 26, 2024) included a tableau on the Pont Neuf featuring drag performers and a blue-painted Philippe Katerine portraying Dionysus. Many viewers, including the Catholic Bishops' Conference of France and various evangelical commentators, interpreted the staging as a parody of Da Vinci's Last Supper. Paris 2024 organizers and artistic director Thomas Jolly publicly stated the scene was intended to depict a 'Bacchanal' / 'Feast of Dionysus' — a celebration of pagan Greek mythology (Olympic-relevant) — and that the Last Supper was not the reference. Art historians have noted the staging more closely resembles Jan Harmensz van Bijlert's 17th-century 'The Feast of the Gods' than Da Vinci's Last Supper. So the 'pagan god Dionysus' element is supported (Jolly confirmed it). The 'replacing Jesus and the disciples' framing is the contested interpretation, not the staged intent. Reasonable Christian viewers can find the staging offensive without it being established that it was a Last Supper parody. The pastor presents the Last Supper interpretation as straightforward fact.

"Friedrich Nietzsche signed his late writings 'Dionysus,' went insane, and his writings were picked up by Adolf Hitler..."

PASTOR'S CLAIM (FULL)

Friedrich Nietzsche signed his late writings 'Dionysus,' went insane, and his writings were picked up by Adolf Hitler, leading to the Third Reich — establishing a direct lineage from rejecting Christianity → Nietzsche → Hitler.

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

Mixed. Verifiable elements: Nietzsche did sign a small number of late letters in 1888–89, during the onset of his mental collapse, with names including 'Dionysos' and 'The Crucified.' He suffered a documented psychiatric collapse in Turin in January 1889 and never recovered, dying in 1900. The Nazi appropriation, however, is the part the sermon flattens beyond recognition. Nietzsche's anti-antisemitic sister Elisabeth Förster-Nietzsche married a prominent antisemite, founded a failed Aryan colony in Paraguay, took control of her brother's literary estate after his collapse, edited and reordered fragments into 'The Will to Power' (1901), and actively courted the Nazi movement (Hitler attended her funeral in 1935). Major Nietzsche scholars (Walter Kaufmann's 1950 'Nietzsche: Philosopher, Psychologist, Antichrist' was the watershed; more recently Kathleen Higgins, Brian Leiter) have established that Nietzsche himself was anti-antisemitic, broke with Wagner over the latter's antisemitism, and that the Hitler-Nietzsche line runs through Elisabeth's distortion, not through Nietzsche's actual texts. The sermon's compressed lineage ('Hitler picked up his writings → Third Reich') omits the entire forty-year mediation by his sister and treats the appropriation as direct intellectual descent. It also drops Nietzsche's own anti-antisemitic statements, which would complicate the warning narrative.

"After Cahn sounded a shofar at an Indian crusade, approximately 70,000 Indian people received the Lord."

PASTOR'S CLAIM (FULL)

After Cahn sounded a shofar at an Indian crusade, approximately 70,000 Indian people received the Lord.

EVIDENCE THE PASTOR CITED

None — first-person ministry anecdote, no event date, location, or independent attendance audit.

WHAT THE EVIDENCE SHOWS

This kind of large-crusade conversion claim is common in itinerant evangelical ministry and difficult to verify without specifics. To check: which event, what year, which Indian state/city, what organization hosted, what was the methodology for counting 'received the Lord' (response cards, raised hands, follow-up baptisms), and whether the figure is from independent attendance estimates or self-reported by Cahn's ministry. India has long-running questions about anti-conversion legislation in multiple states (Madhya Pradesh, Chhattisgarh, Uttar Pradesh, Karnataka), which would also be relevant context for a 70,000-person mass-conversion event. Without specifics, the claim cannot be checked; flagging for verification rather than asserting a verdict.

"Hillary Clinton was on the national stage with Bill for 22 years, and 14 years on her own — exactly matching Jezebel'..."

PASTOR'S CLAIM (FULL)

Hillary Clinton was on the national stage with Bill for 22 years, and 14 years on her own — exactly matching Jezebel's 22 years with Ahab and 14 years on her own.

EVIDENCE THE PASTOR CITED

None.

WHAT THE EVIDENCE SHOWS

The biblical numbers require checking. 1 Kings 16:29 says Ahab reigned 22 years. The OT does not give an explicit '14 years' figure for Jezebel reigning alone after Ahab's death; her sons Ahaziah (~2 years, 1 Kings 22:51) and Joram (~12 years, 2 Kings 3:1) reigned after Ahab, totaling roughly 14 years before Jehu's coup — which would yield the figure if you count 'Jezebel as queen mother / power-behind-the-throne' as her solo period, but this is an interpretive choice, not an OT statement. The Hillary Clinton numbers also depend on selected endpoints: Bill Clinton became Arkansas governor in 1979 (Hillary as First Lady from 1979) and left the U.S. presidency in 2001 — which gets to 22 years if you count her 1992–2001 White House period plus her 1979–1992 Arkansas First Lady period (with a 2-year interruption). Then 2001 (Senate) → 2013 (Secretary of State end) → 2016 (presidential run) yields ~15 years of independent national prominence, close to 14 but not exactly. Both numerical alignments depend on selecting endpoints that are not fixed by either source. Marking 'needs verification' because the specific OT claim ('14 years on her own') is an interpretation rather than a chapter-and-verse statement.

Tenets affirmed

- Affirms the resurrection and the saving blood of Jesus ('one man shed his blood and he said it is finished').
- Affirms the necessity of the Holy Spirit — the parable of the swept house (Matt 12:43–45) is paraphrased correctly as a warning that deliverance without indwelling presence leaves room for return.
- Affirms 2 Chronicles 7:14 'humble themselves' as the precondition for revival, locating responsibility on the people of God rather than on a political leader.
- Repeats the disclaimer 'we got to pray for everybody' and 'we're not saying anybody's the answer' — at least verbally distinguishing Trump from the Messiah.

Counter-signals

- Verbal disclaimer that political figures are 'not the answer' and that God uses 'whom he'll use' — even Jehu, who was 'a mix.'
- Brief acknowledgment that Trump's calling depends on him fulfilling it: 'pray also for Trump to fulfill his true calling because... without that final thing that's not going to do it.'
- Closes on a call to personal humility, prayer, and revival rather than a call to arms or to a specific policy.
- Includes Daniel/Joseph/Paul/Timothy as identification figures — all of whom served pagan governments rather than overthrowing them.

Christian Nationalism marker rubric (Whitehead/Perry, Du Mez, Alberta)

MARKER	STATUS	NOTES
A. Conflation of national & Christian identity	Present	'America was made dedicated to be a nation under God under his leading for his glory' — modern U.S. nation-state cast in covenantal terms. (See Finding 4.3)
B. Militaristic / warrior framing	Moderate	Repeated warfare imagery — sounding the shofar against demonic spirits, blood covenants in Chicago, Elijah/Elisha as identification figures, 'we got to be radical.' Imagery is biblical but applied to contemporary U.S. cultural-political combat.
C. Political opponents as spiritual enemies	Severe	Hillary Clinton = Jezebel; Kamala Harris = goddess avatar; named Democrats are demonically possessed conduits. (See Findings 2.2 and 2.4)

MARKER	STATUS	NOTES
D. Dominionist rhetoric	Low	No explicit call to take over institutions, but the Trump-as-anointed-Jehu framing and the 'window of time' to roll back the gods has dominionist undertones.
E. Civil religion (flag, pledge)	Present	'One nation under God / one nation under the goddess' — 1954 Pledge-of-Allegiance phrase deployed as biblical category.
F. Jeremiad / 'Christianity under attack'	Present	'You take God out of the schools, something else is coming back into the schools' — classic evangelical jeremiad of cultural displacement and demonic re-entry.
G. Ethno-cultural 'real American' undertones	Mixed	Kamala Harris's Hindu/South-Asian heritage is the active discriminator in her demonization; the 'real America' is implicitly Christian-and-not-Hindu. Race is not named, but the religious-ethnic alignment functions as a proxy.
H. Strongman / authoritarian affinity	Severe	Trump's birth, name, political timing, shooting, and nomination all decoded as divine confirmation he is God's-anointed Jehu. (See Finding 2.1)

Other Axis-2 sub-rubrics

- **Anti-LGBTQ framing:** Present — moderate — 'Gods of confusion of gender' as ancient demonic spirits returning — categorical demonization rather than ethical disagreement. See Finding 2.3.
- **Anti-Muslim framing:** Not present in this sermon — Islam is not named. Cuba's Santería and Indian Hinduism are the framing's primary out-group religions.
- **Anti-Hindu framing:** Present — severe — Hinduism rendered as 30 million demons; a U.S. politician of Hindu heritage named as a goddess avatar. See Findings 1.3, 2.2, 4.1.
- **Misogynistic framing:** Mixed — The two named threat-figures in the avatar template (Jezebel/Hillary, Kamala-the-goddess) are both women; the redemptive figures (Jehu/Trump, Elijah, Daniel, Joseph, Paul, Timothy) are uniformly male. Female political agency is consistently coded as the demonic pole. Not flagged at higher severity because it is structural-implicit rather than explicit prescription about women's roles.
- **Anti-Jewish framing:** Not present — Jewish/Hebrew elements (shofar, Hebrew calendar, the Sabbath, the priestly anointing ceremony) are framed positively as the source of Christian spiritual authority — though appropriated without engagement with living Jewish communities.
- **Rapture / dispensational framework:** Mixed — Not classical pre-trib dispensationalism (no rapture timeline, no Israel-as-prophetic-clock), but an adjacent prophetic-decoding genre — 'Cahn templates' that read modern figures as fulfilling OT types. Shares the genre's central pathology: ambient Bible-text used to authorize specific contemporary U.S. political identifications. The Matt 25 absence noted in Finding 1.5 is the same diagnostic the dispensational genre triggers.

- **Anti-abortion-as-child-sacrifice framing:** Present — 'You have the gods of child sacrifice. So we now we have abortion' — direct equation of abortion with Baal worship, layered with the Chicago DNC 'mobile abortion clinic' anecdote and the 'blood covenant' language about the city. Categorical demonization of a contested policy domain.

[00:00:00] The Bible says behind the gods are spirits. And what do they do? They seek to take over. In ancient times, you had the gods, but you also had avatars. And behind each leader, there's an ancient king or queen, for good or bad. This template would foreshadow the outcome of every one of the last elections, what they will do, how long they will have on the national political stage. In some cases, it gives exact events. [00:00:30] in new days through new leaders. >> From the house of Brahman was born, the person we know of as Kamala Palace. If she had won, we've been led by one whose name means the goddess. One nation under the goddess. That's how close we were. And I think we're at a critical point. Satan hates being exposed like this. If the concept here of the prophetic type and shadow and the avatar is true, the question I want to ask everybody watching right now, who are you? The one → [Political opponents as literal demonic vessels](#)

[00:01:00] and the only Mike Signarelli. Everybody, >> me, Mike Signarelli. >> I'm also one of your fans. >> I've never met somebody quite like you. Wow. >> I see the spirit of God on your life so profoundly. >> You're going to run your race and you're going to see your finish line, my friend. What you're doing is absolutely incredible. I'm grateful to be your friend. This may run in my family, but I'm where it runs out. >> Well, everyone, I know you've been in major anticipation for this every single time he's on my channel. So much revelation and insight. And I want to

[00:01:30] sincerely thank all of you for sharing, getting the word out, and really just ensuring that more people hear the truth. I've got my friend Jonathan Khan, New York Times bestseller and a prophetic voice in the earth. And we're going to be talking about the the Avatar. So, welcome to the broadcast today. Uh, you know, what is the Avatar? What is going on? What is God revealing? >> Well, thanks. It's always great to be back, Mike. Um, yeah, the Avatar I would say that I I' I've written books that

[00:02:00] were explosive. I would say it's the the avatar is the most explosive because it's kind of taking a taking a revelation that was about the return of the gods that I wrote

about and taking it to really every every realm. I mean the political realm, the cultural realm, the social realm, even people uh ancient mysteries from the Bible or templates that are being fulfilled by our leaders. Um uh that even tells us what prophetic moment we're at um and where we're going and what we need to do. So, um, it is

[00:02:30] it's it's the return of the gods taken to a whole another level. >> Oh, that's that is saying a lot because that book was lifechanging, which guys, if you don't have it, you need to get it. The links in the description, but also just get both. Get the Avatar as well. Now, here's what I want to jump into because and and again, this is like a really crazy statement. there was something that you've never written about before and basically you you've had uh these encounters and can you share what happened specifically in India when you you sounded the biblical

[00:03:00] trumpet the chauffear and there was a supernatural experience. >> Yeah. Yeah. I you know I've written about the gods and when I say gods there's only one god of course but there's false gods or and the Bible says that there are spirits behind these gods and so I've written about it but I never shared my encounters. I was I was asked to go to India. In India, you have tons of gods. You have actually 30 million gods that they worship. So, you know, there's going to be spiritual things going on. And it really was the most spir It was the it was I never saw the → [Hindu religion framed as 30 million demons; How God's people relate to foreign religions and their adherents](#)

[00:03:30] power of God and the power of the enemy like being in the middle of that as much as I did in India. Um, by the second day, me and my team were almost killed by the second day. And there was so much that happened. But at the end I'm standing in front of thousands of of Indian people at night in outdoors and I was led to sound the before I spoke like the word I I was led to sound the chauffear you know the the trumpet in the Bible and so I did and then I we don't know what happened we get this wave comes back I can only say imagine you're at an exorcism uh except multiply → [Hindu religion framed as 30 million demons; How God's people relate to foreign religions and their adherents](#)

[00:04:00] it by thousands of people getting delivered and so they're like screaming screaming screaming I mean you know it makes and here we are in the land of the of the gods and you have the spirits and I'm reading you know in the Bible it says that when you're in warfare sound the trumpet god says I will I will give you victory against the enemy the enemy will flee well you know the people in India are not reading that you know you know you know they didn't know that and actually for for ages uh Jewish people in in ancient times used the chauffear

[00:04:30] for delivering of spirits you know but they didn't know it but it happened you know um and the thing is that after that happened I I shared the the message of salvation we saw about 70,000 Indian people received the Lord. But it was after this kind of this

kind of uh this this departing of spirits, you know, and that was just the beginning because Mike then I was asked to go every time I've gone to some place where they're worshipping gods, I see the same things and I'll I'll share one more. Um I was asked to go to Cuba. Fidel Castro opened

[00:05:00] the door for Cuba um for for for one month. He said he's going to give uh Christians freedom for one month, you know. So they asked me to come and open it up with a chauffear. So I did and I ministered across the island for a month and I'm in this land called the Orientes and um there's a mountain over the city and um and on top of the mountain they worship the gods. It's Santaa, you know, the god all these Yeah. there they have curses and sacrifices and voodoo, all that stuff. So I said, "Okay, I guess we're going up, you know, we're going up

[00:05:30] the mountain." So I brought the chauffear. I got the ch get to the top. I see the the pavilion of the gods. like inside are the idols, like a house of idols. And in front of it is a guy who calls out to me. I never saw him before. He comes over to me and he says, "Hello, Jonathan." In in through the translator, and he he's holding a plate. He says, "I've been waiting for you." He's holding a ceramic plate with a painting of me on it sounding the the trumpet, the trumpet that I brought up. And and the thing is, he says, he says, "No, I'm

[00:06:00] a believer." He the spirit told me to paint this. And he said he he told me to put it into the house of the gods. And he did. He said that night something happened. The the leather strap that was holding it broke apart. The plate came down and struck the head of the idol, the chief god of Cuba and and struck it down. That morning the worshippers open up their house and they find their chief god on the floor and had a it was named Oun. Had a crown on her. The crown was removed from her head. Next to it was

[00:06:30] this, you know, plate of this Jewish guy with a horn and and the and the chauffear, it was chipped just where the chauffear where the sound comes out. It struck the head of the idol and it went down. So again, it was like the trumpet. Again, it was the gods, you know, and the word came down the mountain and we found out later in the reports there's revival in the city. The pastor said people are coming to the church is bringing their idols and we heard what happened on the mountain, smash our idols. And there was revival, you know. So, so I in every place I mean and I

[00:07:00] share I share a few more in the in the in the book, but in every place I saw the the go the spirits are real. And the thing is that this ultimately has to do with America. And in fact, it's even more dangerous when you don't know them and and you're actually they're influencing your culture. >> Well, and okay, the anointing is flowing so strongly right now. Guys, hit the thumbs up so more people get this broadcast. But I I I just

feel the power of God surging out of you right now. And here's the thing. I know there's people watching and they're like, "Okay, that's

[00:07:30] great. But what does this have to do with us? What is the implication in in the modern world? What's the implication for America?" Because this is deeply prophetic. >> Yeah. Oh, yeah. Well, well, you know, Jesus gives a parable and he speaks about the man who was delivered of a spirit, but he stays empty of God. And so, the spirit comes back and brings seven others. And, and people think, okay, that's just about a guy. Well, yeah, but he says, "So it will be with this generation." Uh, and and here's it's not just about people, you know, it's not just people that can be

[00:08:00] influenced by spirits, but cultures can and nations can. And the thing is that when the gospel came in the world, it drove out the gods, you know, of the West, drove them out. And and that means drove out the spirits. It was it was the biggest mass exorcism in human history. And that's why the West has always been different. But the warning is that if any culture or nation or civilization should ever empty itself of God, then what was cast out of it will come back into it. And so the spirits that will or

[00:08:30] cast out literally the same spirits or gods of what they call them will come back into it. You know, you have the gods of child sacrifice. So we now we have abortion. You have the gods of sexual immorality. You have the sexual revolution. You have the gods of of of confusion of gender. they're ancient and it's happening and it's all restoring. So, we're watching the what we've been seeing in America and the West for the last half century. We thought we could drive God out of the culture and but what happens is the house doesn't stay empty. You take you take God out of the → [Anti-LGBTQ framing as 'returning ancient gods'](#)

[00:09:00] schools, something else is coming back into the schools. You take God for the children, someone else come. We're reaping it now. So, this is really, you know, and and here's another thing, Mike. You know, remember the last Olympics now. You know, the Olympics are from Oregon. I'm not condemning the athletes, but the but the origin we know is pagan. Well, the thing is that in the opening ceremony, they had a they had a a kind of vision of the last supper, but instead of Jesus and the disciples, they had men dressed as women gyrating around. And they had on the table, instead of the the wine and the bread → [Anti-LGBTQ framing as 'returning ancient gods'](#)

[00:09:30] representing the Lord, they had a platter like a plate. They took it off and there's a man dressed up as a pagan god, Dionis. Now, they replaced Jesus with a pagan god. Well, that's really prophetic cuz that's what's been happening. And there was a guy because he would see when the gospel came in g the name of Jesus drove out Dionis and all the gods. There was a guy who actually did this exchange before kind of a warning guy. Guy's name was Frederick Nichi and he's the one who

[00:10:00] wrote God is dead and all and he German philosopher and he wrote he he wrote get rid of Christianity get rid of Jesus and he he actually adored Dionis the god Dianisis. Well, Dianisis was known for possessing and driving his followers to insanity. Well, Nichi goes insane. And at the end of his his writing, he starts signing his name not as Nichi, but as Dionis and and the thing is the one who picked up his writings was a guy named Adolf Hitler. And you had the Third

[00:10:30] Reich. And that tells you the warning. It's a dangerous thing for a nation that has known God to to turn away from God. Look what happened to Germany. Look what happened to Russia. And now that's what we're dealing with. >> That's it. And those same ancient demons are operating in new days, through new leaders, through new governments. And we see that happening because I think many people would say, "Oh, Mike, you know, we're not going to see a repeat of those days." But I'm telling you, the conditions are here spiritually, and we

[00:11:00] have to awaken to this spiritual reality and have discernment in this hour. You know, uh we're going to show some footage of it, but I just did an event in Chicago and as you know, the DNC literally had a mobile abortion clinic in the parking lot of the DNC and it was crazy because I did a stadium event in Chicago and I was up there praying. I had a former witch who she actually came out of witchcraft and her and I are leading this intercessory prayer moment and all of a sudden the Holy Spirit

[00:11:30] speaks to me and he's like, "Mike, deal with the blood covenants and the oaths in Chicago." And he reminds me of the DNC and the mobile abortion clinic and all that. And all of a sudden, I just begin to to to deal with that prophetically, kind of like how you blew the chauffear. And and there was this moment of uh prophetic intercession and deliverance. So anyways, I I start uh talking about the blood of Jesus and how a greater blood breaks those demonic blood covenant. We are here to break a blood oath and a blood covenant. Lord,

[00:12:00] we stand in the gap for a city that in the name of convenience murdered, BUT ONE MAN SHED HIS BLOOD AND HE SAID IT IS FINISHED. SO WE CALL FOR AN abatement to murder in this city. And I'm telling you, Jonathan, it was absolutely insane right after that moment. And we're just getting ready to release this footage publicly. The glory of the Lord filled that stadium. And for over an hour, everyone just wept and it was sovereign.

[00:12:30] We couldn't even continue with the program. And then the whole stadium just continued to sing. And and I say that all to say um I got chills down my spine when you said, "Okay, it's one thing to experience the deliverance, but then if you don't fill it with some with the spirit of the living God, if you don't seal it, then something happens."

So I want to ask you this. So the the avatar and guys, I'm telling you, I don't just get on this channel and sell books. I only present to you the things that I

[00:13:00] absolutely believe in, which is why you trust me. And this book, The Avatar, is so important. And it actually opens um you know an ancient template that reveals what is now happening to America. So can you just give us a little taste of it for those who are getting ready to jump in? >> Yeah. When Israel turned away from God, they turned to these gods. So it's kind of we're replaying that. But also you it talks about the leaders. There were leaders who in a sense are like avatars of you know championing these gods. You

[00:13:30] had Ahab and Jezebel and all and all that happening. And the the amazing thing is there's actually a template. It begins with Ahab uh when Israel was falling away with the kings and queens of Israel that actually lies behind the leaders we are watching now. Now it's a it's the template is so exact. It not only behind it's like behind each leader major leader there's an ancient king or queen for good or bad in the Bible. And it it reveals not only the person but what they will do, how long

[00:14:00] they will have exactly on the national political stage. Um in some cases it gives exact events. Um because God's over everything. And the thing is that for instance example I mean every from Bill Clinton to Barack Obama to Donald Trump uh every single one. And the thing is that I'll give you an example. You know, one of the things is that it actually when the template would speak when you take this that there was going to be a calamity on America on the date September 11th at 2001. And it even

[00:14:30] it even pinpointed the hour it would begin. All linked to these kings. Now, let me let me there it's I mean there's a one for Bill Clinton, there's one for Barack Obama, but let me let me get to Trump because that's what we're deal that's where we are now. And and listen, by the way, we pray for everybody, you know, and that and the whole thing. But the thing is that and and we're not saying anybody's the answer, but we'll say that God uses whom he'll use. So now you got Trump. The the the mystery behind Trump is a man in the template is

[00:15:00] a man named Joo. Now Joo was wild, unpredictable. You never knew what he's going to do next, say next. Um he was not a politician, not a diplomat. He was a fighter. Um and we don't even know where he was at with the Lord, but he was used to the Lord. Um and you got look at Donald Trump. And the thing is that you remember Mike remember when Donald Trump began everything he was on top of that staircase comes down the staircase and then begins his race. Well Joo began on top of the staircase comes down the staircase begins a race to the throne. And the thing is that in order to come to the throne Joo had to made an

[00:15:30] alliance with the religious conservatives of his nation. So Donald Trump makes the alliance and then the Joo had an agenda to get into the capital city. His agenda was to drain the swamp. So Donald Trump drained the swamp. In order to come to power, Joo had to contend against the nation's former first lady. So think about Donald Trump. Now in the ancient case, it was Jezebel. In the modern case, the former first lady was

[00:16:00] Hillary Clinton. Now Hillary Clinton had been on the stage, the national stage, political stage with her husband Bill for 22 years on her own in public office and then she ran for president. Totals up to 14 years. Well, 22 years. 14 years. Jezebel was on the national stage of Israel for 22 years with her husband Ahab and 14 years on her own until until she's defeated by Joo. And and the thing I mean and and you know, you were talking about something before which is so profound that they actually had this

[00:16:30] mobile as we said abortion thing outside there. Well, you know, in ancient times that was in the worship of Baal. It was it was it was a it was child sacrifice. And so, and the thing is, you know, it was Jezebel was with that. And so, Hillary Clinton was the but basically the champion of a up until Kla Harris. So, so you got you you have this you have this amazing template. And Mike, here's the thing. It this template actually because God knows everything actually would foreshadow the outcome of

[00:17:00] every one of the last elections. Give you example. The template of Joo is that he first contends against the present king. Then the king is kind of kind of replaced by a woman who has an anti-biblical agenda. Well, 2016 Trump, he contends actually against Obama. Then Hillary Clinton and he wins. In 2020, you don't have the template of Joo. He's he's the one in power. There's no king. There's no And so and so he does not prevail. In 2024, the template of Joo

[00:17:30] resurrects. And so you first he go he contends against the king Biden. He wins or that and then a woman rises up with an anti-biblical agenda which is Kla Harris and that's why he won. He wins in 2016 not in 2020 in 2024 because that is the template of Joo. Let me throw in let me throw in another thing Mike. I'm just trying to do it. >> This is I'm like amazing. >> Thank you. Praise God. Because listen by the way I want to say when we know I'm → [Decoding political timelines as God-given signs after Jesus's explicit prohibition](#); [Reading current political leaders as decoded biblical types](#)

[00:18:00] sharing this like I know something when it when it comes when I when it comes to me I'm the first one to be blown away. Lord. Wow. You know, but but God is on the throne. That's the point. The thing is that how long was is Trump on going to be on the national political stage? Well, when did it begin? When did he Well, people would say, "Well, 2016 or 15." No. That what people don't know is Donald Trump actually was a candidate for president in the year 2000. It's it was called Trump 2000. He ran on the Reform Party. Actually won the California primary before he stopped. → [Decoding political timelines as God-given signs after Jesus's explicit prohibition; Reading current political leaders as decoded biblical types](#)

[00:18:30] Okay. You got 2000. He entered. & & Yeah. The last full year he's got appointed is the is 2028. The thing is, so you got a 28 year span. You open the Bible, it says Joo was on the national stage for 28 years. The exact same thing. The exact same thing. & & Wow. & & What was the the meaning? Like we look at, well, what's this thing about Trump? And it's not that & & that's it. & & And it's not that like Trump is knowing all these things, but God uses whom he'll use. You know, it doesn't mean everything went, you know, listen, Joo

[00:19:00] was a mix. He did some things that were crazy, but he also followed what God said. So the thing is this, Joo was on one hand a sign that the time was late for Israel because it had departed so much and it took somebody so radical or extreme like Joo. And so that's where we are. But the other thing is that for those who were against God's way, Joo was like a was like a judgment. But for those who were people of God, Joo was like a was like a second chance. It was like he was giving God was giving the

[00:19:30] nation a chance. He was he rolled back, you know, Joo rolled back the the agenda of the gods of child sacrifice, of gender confusion, which was back then. That's exactly what Trump's been doing. And so, so this is a chance we have and it's a big thing. And and there's so many, by the way, I will just say we won't probably won't have time to go into it, but Joe Biden is in the mystery. There's an ancient king Camela Harrison the mystery but there is a very big mystery about about the Avatar if you want. It's explosive but we can go

[00:20:00] in it if you're & & Oh you know listen our time always goes by way too fast but I would love to jump into that and as a matter of fact if you could explain that cuz again my mind was blown and even hearing you guys you've got to get this book but then there's actually something after that that I I personally I'm going to be a little selfish I want to ask but I think the viewers will love it. So yeah, please break it down. Okay, the you know one of the things is that you know in in ancient times you had the gods but you

[00:20:30] also had avatars and and meaning this the belief was in ancient in paganism is that you don't just have the gods you have people who channel the gods or who are

who are manifestations or representations of it and the leader those you know like the kings like the pharaoh of Egypt he was considered an avatar of the Egyptian gods so the king of Babylon so you know because and and it makes sense because the Bible says behind the gods are spirits and So if the spirits, what do they do? They seek to take over. They seek to possess. And if you can, if you can rule the king,

[00:21:00] you rule the kingdom. So, so could we be at the point we're actually seeing signs of avatars on the national stage? And it's again not about the people. They don't know what they're doing. But could we see them as signs? And here's the thing there. The word avatar comes from India where all the gods are. And it particularly the belief is there's one house uh a line or lineage that particularly gives birth to avatars. It's the house of Brahman. The brahmins are the priests of the pagan gods. And the thing is that from the house of

[00:21:30] Brahman was born the person we know of as Kamala Harris. She was born of the house of this is the house of the avatars. In fact her her her maiden the maiden Hindu name of her mother is actually the name of a Hindu avatar. Okay. Now here's the thing. She's given a name. It's not about her. We got to pray for her and pray for everybody. But she's given a the name that she was given. We all learned it how Kamala you know is actually she the avatar has to be linked to a god or goddess. She's named after the name Kamala is a → [Identifying a living U.S. politician's name as 'the goddess' / demonic avatar; Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion](#)

[00:22:00] goddess. She's named she name of a goddess. And if we miss that her middle name is Debbie which means the goddess. So her name Kamala Debbie means Kamala the goddess. And the mystery and her whole life we won't have time to go into it but her whole life is following the mystery of this goddess without knowing it. without her knowing it. I mean even listen you even have you know how you know Kamala always laughed then at the wrong time. Well, it actually her Debbie is refers to the Hindu goddess who laugh who's called the laughing goddess who → [Identifying a living U.S. politician's name as 'the goddess' / demonic avatar; Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion](#)

[00:22:30] laughs at the wrong time, you know, when she's actually waging war. Actually, the goddess Kamala was was joined to the king, you know, the goddess Kamala was number two, the number two ruler, the number two ruler in the pantheon. And she's joined to the king whose name is Vishnu. And and you know how Joe Biden's called Sleepy Joe, Sleepy Joe? Well, Vishnu is called the sleeping god. Okay. So, so now now the thing is there's a day on the Hindu calendar when the when they worship it's dedicated to the goddess Kamala. It's called Sharad → [Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion](#)

[00:23:00] Perneima. Now on on that day in India Shra Perna when they're worshipping the goddess Kamala that day Kamala Harris is born on the day of the goddess the day of the goddess. And they are actually they're actually saying on that day that the goddesses comes into the world on that day and they they they also believe the goddess is born on that day. So as she's born all in India they're chanting the name of Kamala as the as Kamla is born and the thing is that that there → [Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion](#)

[00:23:30] there is even you know there is uh in ancient times you would have they have images of the avatar and they would join the person to the god like if you look at those those kind of crazy pictures of the pharaohs they're joined to the gods you know well there actually was an image that appeared in America not on a wall but on the internet it was put up by Kla Harris's own family it was just before she was coming to hour and it was a picture of they put a picture of her merged with a Hindu goddess on the web. → [Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion](#); [Civic-religious framing — 'one nation under God'](#)

[00:24:00] I mean I mean I mean crazy. Now now what is the sign of the Avatar mean and and it's this is that you know it means that we got to the place and listen we were almost that the election could have if it went the other way it' be a whole different story right now. We were on the verge of something and the thing we were at a critical point and the thing is that you know America was was made dedicated to be a nation under God under his leading for his glory. Well if she had won we've been under led by ruled by one whose name means the goddess one nation under the goddess. That's how → [Anti-Hindu framing of a U.S. politician and of a 1.2 billion-person religion](#); [Civic-religious framing — 'one nation under God'](#)

[00:24:30] close we were. Okay. And the thing is that the thing is now that brings something to a mystery of Donald Trump. I don't know if I don't know which question you have a question, but it has to do with his birth and then has then there's an assassination attempt too that that's a mystery too. Do you want is it okay to do that? && Yeah, I think that's I think that's great. And I I just want to say for a second, you know, there and I've been talking about this a lot. I'm seeing a rising of both sides. You know, Satan hates being exposed like this. He hates when you pull the mask off. And and for everybody watching, you know, we say,

[00:25:00] "Oh, it's light versus darkness." It's actually light versus false light. That's really what it is. Because when you look at these parties, when you look at these people, they're the ones claiming, "No, I'm here to help. I'm here to we're going to save the nation. No, we're going to save the nation." And that's why this book is so important. That's why Jonathan Khan's so important is because you're you're helping to uh raise us up in a

greater measure of discernment because we're living in these days right now where again, it's it's people are having a hard time.

[00:25:30] They're like, "But but I thought that this is the good side and and there's this um but it's light versus false light and the rising of both sides right now." And and I think what I hear you saying and there's an urgency to this is it's not just hey guys we have we divert we averted tragedy. We're good. It's let's stay vigilant because the enemy is not going to just take the back seat and say okay do what it's like if anything we need to press in more. So please Yeah. keep keep breaking this down. >> Total total total. That is the prophetic

[00:26:00] moment. Total. Yeah. The thing is to and speaking of this and like the parallel. Well, Donald Trump was what about his birth? He was actually born not on a pagan holiday. He was actually born on a biblical holiday. He was born on the Sabbath. You know the Friday the Friday night. He's born on Friday. And the thing is that every Sabbath there is a scripture that is appointed for that Sabbath from ages past just for that Sabbath. So that means there's a scripture for his birth. So what was that? The scripture was God saying this was proclaimed all across the world saying calling forth an instrument of

[00:26:30] God into the world the trumpet or a trump into the world. So all over the world they're actually reading about the trump coming into the world and the trump comes into the world. Now there's a whole mystery there. We won't be able to get into it with with that where he his rise and all the timing is all linked to the trumpet in the Bible. But let me go further. You know, remember at the beginning, you know, I was talking about how, you know, the trumpet was a sign when and and that scripture it says when you're in warfare, sound the trumpet, the enemy will go, well, well, that scripture was also appointed for

[00:27:00] Donald Trump's birth. And and what what the trump does, it drives back the gods. And what's been happening, and we're not saying he knows all this, but the thing is that he's been driving or seeing to roll back the agenda of the gods that when the trumpet sounds. And so think about we had an election and one man you know you got pull back the veil because it's all spiritual but you have an election you have one man whose name means trumpet and the other candidate whose name means the goddess and the trumpet sounds the goddess goes okay so that's that's what we just saw now let me throw in another a quick thing I'm

[00:27:30] doing my best here and that is and by the way I love you know I it's always charged with you Mike I always love being with you the thing is that that there you know there's a certain there's a an ancient ceremony that marks somebody who's going to be used of God. And that in in the Bible, it's actually the anointing of the priests who are

going to be who they're candidates for the office. They go into the office, but they have to go through a ceremony. Well, according to the ceremony, now think about now, now think about Trump at Butler, Pennsylvania, that

[00:28:00] assassination attempt. Okay? According to the ceremony, the man the one who's going to be used of God, blood is involved. Blood has to touch the ear >> of the person. >> It has to touch so it touch his ear. has to touch the right ear. So it touches his right ear. Has to touch the tip of the right ear. Touches the tip of the right ear. Then it has to touch the hand. First thing Trump does is he lifts up his hand. The blood touches hand. It's got to be the right hand. It's his right hand. Got to be the right thumb. First thing goes to the right thumb. Then it's got the then the focus goes down to the feet. Well, the feet in → [Sacralizing a U.S. president as God's-anointed Jehu via decoded blood-ceremony](#)

[00:28:30] order for it to happen, the the shoes of the candidate have to be removed. Well, what happens when Trump is pushed down? His shoes are removed from him. He doesn't even know how. And he says that he he actually reported his shoes were covered with blood. You couldn't even. So, and the thing is that you've got from the moment that the blood touches the year of the candidate for the priesthood, you have seven days at the end of the seventh day. When the seventh day comes, then the man receives the office, the beginning of the office. Okay? So, if you take the moment that the blood came, that was on Saturday. → [Sacralizing a U.S. president as God's-anointed Jehu via decoded blood-ceremony](#)

[00:29:00] Okay? You have that at sundown comes the next day, Hebrew day. You go from sundown to sundown. That's the biblical day. When you get to the seventh day, the sundown begins the seventh day. It's Thursday night and what anything happened? Trump is standing in front of the world and he's given the nomination to become president of the United States exactly seven days from the blood touching the air. Seven Hebrew days. So, let me let me let me try to uh bring it to the point that you were just saying because it's I'm totally with you on → [Strongman / authoritarian religious legitimization](#)

[00:29:30] this. The the point of the avatar is not only there's so many more mysteries, but we gave you, you know, it's a taste of it. But the thing is that the mysteries are about where we are now prophetically and what do we need to do? What this is all all when you put it all together is that we are we have a window of time. Trump is part of it. It's not about Trump. It's not about the but God will give a window. So he's given a window right now. And the thing the it's if we change the government but we don't change people's hearts, the unchanged hearts are going to change the government back. And as you said, I → [Strongman / authoritarian religious legitimization](#)

[00:30:00] totally I'm I'm one with you on this. If you drive out the the gods or the spirits and you don't replace it with the presence of God, you stay empty, then what was

those gods that were driven out or those spirits are coming back to America. So this is the crucial moment. The only thing that can save America is revival. And we got to pray for revivals and everything. We got to we got to we got to act for revival. We got to live in revival. Actually, how about we choose to live in revival and then revival begins, you know, and then pray for revival. This is a critical moment that can really if we change if

[00:30:30] you know listen if this touches America it'll touch the world. So this is the critical moment we're in right now. >> Oh that's it. I I couldn't have said it better. And and I think that's why you know we're doing the stadium events, the breakers. We're launching churches. We're on television. We're doing this broadcast right now. And I want to push back on some skepticism because I just feel it. I know there's people watching right now. Oh, he's reaching. I love the fact that you acknowledge the feet because I know the scriptures. I know the ceremony that you're referencing and I was so grateful for you saying, "No,

[00:31:00] listen. It wasn't just the ear. It wasn't just the hand, but also his shoes mysteriously are off. He doesn't even know how it happened." And that aspect was addressed. And then you took it a step further and said exactly seven days later. And so what happens is this. You get into the realm of mathematical improbability. You know, it's like, you know, it's like, hey, you can't make this up. There's only and and you've just This is why with the avatar, it's so important because you can dismiss one aspect of it, but when you start to

[00:31:30] triangulate every single element of it through the totality of those pages, it begins to emerge. There's prophetic types and shadows. But here's the thing I want to say, and then and I got one selfish question that you actually didn't, and this is for me, but I want to say this to everybody watching right now. If Trump is a prophetic Joo, if if the concept here of the prophetic type and shadow and the avatar is true, the question I want to ask everybody watching right now, who are you? Who are

[00:32:00] the Daniels? Who are the Shadrach, Meshach, and Abednego? You know, who are the Josephs? Who are the Davids? You know, if another generation is rising up, who are the Pauls? Who are the Timothies? And and I'm telling you, um there's some things I can't even say live right now. Just suffice it to say that Easter Sunday where I live, I was given an unprecedented opportunity uh to to to do a service uh in full public view in a very recognizable place and

[00:32:30] I'm hoping to see all of you there. And just like um Jonathan, how you said you blew that chauffear and deliverance broke out. I really believe that moments like that are going to continue in this nation. But each and every one of you watching right now, you're the revivalist. You're the one God wants to use. And this is this is a wakeup call. So the question I have because when I saw this, I'll be honest, I've been studying this

personally. I've even got some footage and stuff. I actually never released it. And um and I thought, okay, now so what is the mystery of the

[00:33:00] black obelisk and what does that have to do with Trump in America? This is the last question I have because I know we kind of went over time, but man. >> Okay. Okay. There's only one uh Yeah, there's so many mysteries, but I'm glad you did. There the the one there's only one object on planet Earth that actually has a depiction of a biblical figure that was done at the time of the biblical figure. I mean, only one I mean at the time. And it happens, it's called the black obelisk, and it happens to have a the image of Joo of all people.

[00:33:30] And and the thing is the thing is and Joo in the in the black obelisk is on his knees bowing down. Okay, he's bowing down. He's bowing down. He's being humbled. Okay, but the thing is the thing is that when Trump went down, okay, they pushed him down at that time of his quote anointing, you know, and the the Secret Service and someone took a picture. You make you can see it online. Um, and he and he's down on his knees and he he's he's matching the the ancient image of Joo. I mean, for the

[00:34:00] first time, it's matching it. And the thing is that I mean, the his hand is in the same place, everything. And the thing is that's when the blood's touching him. The thing is the thing is that that you know the ultimate thing is the only way there's going to be revival is on our knees. Um and and you know and and on our knees and if my people who are called by my name will humble themselves and starting from the king you know. So pray listen also I'm throw let's since you asked that let's pray also for Trump to fulfill his true calling because with everything else without without that final thing that's

[00:34:30] that's not going to do it. It's going to be that it's going to be revival. And so pray for that and pray for America. And by the way, I love the way you say, "Well, who are you?" Because, you know, also in that actual that that template, you know, where you have Ahab, you have Jahu. You You also have Elijah and Elisha. And we are to be the Elijah's and Elishas for this hour. We got to be radical. >> That's it. Oh, well, we love you here on this channel, guys. Show him so much love in the comments section right now. We got the link to the book in the description. It's come up on screen

[00:35:00] several times. Scan the QR code if you're watching. Yes. Don't don't get don't don't mistake it for the movie. It's not that movie. Avatar is not going to >> Yeah. Yeah. We're not talking about the movie. But guys, make sure you get the Avatar. Actually, buy a couple copies and give them away through this season. And Jonathan Khan, thank you so much for joining my channel once again. We really appreciate your work and and I just want to say, you know, talking about being on our knees praying. We are committed to interceding for you, praying for you as well. We know that you're on the front

[00:35:30] lines doing this battle. You know, I was just recently with our friend Lou Engle on Capitol Hill. We did Communion America and it was such an incredible opportunity. But as I was speaking on uh Capitol Hill, I was just so aware of the warfare. And that's why I said even in our time together here in this broadcast, a lot of people are saying, "Well, look, you know, it's we can kind of back off a little bit. You know, we won an election." But I feel the opposite. I feel the urgency in the spirit. So, I'm joined with you and we're going to do this thing. Thank you.

[00:36:00] Mike, thank you. It's always a joy and I am so blessed with you and your ministry, you know, from that. Thank you. Uh it was a joy. Methodology

Axis 1 — Fidelity to Jesus's Teachings: findings flag contradictions with, tensions against, or notable absences from Jesus's direct words in the four Gospels. Reference translation: ESV.

Axis 2 — Identifiable Biases / Harmful Rhetoric: co-equal sub-rubrics for Christian nationalism (Whitehead & Perry's *Taking America Back for God*; Du Mez, *Jesus and John Wayne*; Alberta, *The Kingdom, the Power, and the Glory*), anti-Muslim framing, anti-LGBTQ framing, misogynistic framing, and anti-Jewish framing. Findings weighted by *reach × specificity × real-world harm potential*.

Axis 3 — Factual Claims & Evidence Check: empirical claims extracted from the sermon are compared against independent scholarly, journalistic, and primary sources. Each claim receives a verdict (Supported · Partially supported · Contested · Misleading · Unsupported · False) and records whether the pastor cited evidence when making the claim (a rhetorical concern distinct from the empirical verdict). No verdict is rendered without a cited source.

Axis 4 — Whole-Bible Engagement: for each major framing in the sermon, the pastor's claim is placed side-by-side with Jesus's Gospel witness and with the wider biblical canon (OT and non-Gospel NT). This surfaces cherry-picking (citing a favorable verse while ignoring hostile ones on the same topic) and unacknowledged canonical tension (presenting one biblical voice as the biblical

position when the scripture itself contains disagreement). Gospel citations are in ESV; OT and non-Gospel NT citations are in ESV.
